Sundridge Wins 9 - 2

Raiders Fide in Last Period—Bucko's Men Here Thursday Record Crowd Anticipated.

Last night Sundridge Beavers, 1948 Intermediate "B" champions, gave the Raiders a sound trouncing to the tune of 9-2 in the opening game of the finals. The second game will be played here Thursday night and the third in Bracebridge Saturday night. The fourth game is slated for Guelph on Monday night. Further games, if necessary, are in Guelph Wednesday and Georgetown Friday.

A crowd of 1983 jammed the new Bracebridge Arena to watch Bucko McDonald and his crew tie the Raiders up in the last period. Until Sundridge scored their second goal, it was a good game between two good clubs, but that contentious second goal, fired by H. Hill into an open net while Lever was pinned beneath Christie was the turning point. Play was held up for several minutes while Georgetown hotly disputed the goal. From there on the Beavers wrapped home several goals and the Raiders couldn't penetrate Schado's citadel. Hinsberger, H. Hill and Lang were best for Sundridge. Storey, Ferri and Currie were top men for the Raiders.

"OLIVET TO CALVARY" GOOD FRIDAY CANTATA AT UNITED CHURCH

As a fitting conclusion to Holy Week, the choir of Georgetown United Church, together with members of the Anglican, Presbyterian and Baptist Choirs will present the sacred Cantata Olivet to Calvary, by Maunder, on Good Friday evening, at eight o'clock in the United Church. This choral group will be under the direction of Miss Lynda Stewart, ATCM, LRSM, organist and choir director of Georgetown United Church, assisted by Miss Isabel Dobson, at the piano. Mr. Wm. Young will offer violin selections, including Gounod's Ave Maria. Olivet to Calvary recalls simply and reverently the scenes which mark the last few days of the Saviour's life on earth, and some of the reflections suggested thereby. From the rejoicing of the multitudes with hosannas and palms, in the tragedy and triumph of Calvary, the cantata will prove a source of inspiration for all who attend the presentation. The splendid volume, and shading of tone in the choruses, and the beautiful solos which will be sung by members from the various choirs, all combine to make the cantata one of the most loved of Lenten musical works.

William Ostrander, one of Georgetown's oldest residents, died at his home on Emery Street on Wednesday, April 8th, after a short illness. Mr. Ostrander, who came of United Empire Loyalist stock, was born at Huttonville, one of twelve children of the late William Henry Ostrander and Martha Graham. This family, who had originally settled at Niagara, came to Huttonville when the country was lushland and held the crown deed of the farm. The land remained in the Ostrander family until a few years ago when the property was sold by Mr. Naph Ostrander to L. W. Butt.

Fifty-six years ago, Mr. Ostrander married Olive J. Claridge, and they settled on a farm near Streetsville, later farming near Glen Williams. They came to live in Georgetown after their retirement, the farm being sold to Thomas Larsen. The property has lately changed hands again and is now owned by Mr. H. Marchington.

Mr. Ostrander attended the Presbyterian Church. Last summer he fractured his leg in a fall and spent some time in hospital, but had recovered from this and was able to be up and around until a week ago. Surviving besides his wife are two sons, Agar and H. E. (Tim) of Georgetown and four grandchildren. A brother, Andrew, lives at Huttonville, and a brother, Noah, in Brampton. Three children predeceased him, Stella, Elsie and Victor.

G.R.C. HOCKEY

The abbreviated hockey series operated by Georgetown Recreation Commission under the new recreational director, Rev. J. L. Self, has reached the play-off stage, and this week finds all teams engaged in the job of seeking the contenders for the finale which is being planned for a week Thursday night in the local rink. The 6-team Midget & Bantam leagues have been reduced to three, but while team names have disappeared, it doesn't mean that any player is out of a job. The players on the defeated teams were given the opportunity of filling the roster of the winners and the three remaining teams in each grouping will battle it out in a round-robin series to choose the two finalists. An exception is in the Midgets where the Bruins and Wings played a tie game and the winner will be determined tomorrow when another game is played.

Plans being laid for the big night a week from Thursday include some between-periods entertainment. These include broomball, and a marbles competition on ice, which is something Maple Leaf Gardens has never seen.

MIDGETS

Canadiens ousted Rangers 2-0 on Saturday. The Norval lads were sparked by George Grady who scored on a pass from Don Jarvie in the first, and Dale Sedore who clinched the game with a second goal in the dying moments.

Gerald Scott was the hero of a 2-1 win by Hawks over Bruins, when he scored the winning goal, with only a minute to go. The Hawks had not won a game to date and it was a real upset for Bruins. Ron Ritchie got the first goal for the winners, on a pass from Keith Tost. George Webster from Casey scored for Bruins.

As mentioned before, Leafs and Red Wings played a scoreless tie which stretched to 30 minutes overtime and still no score.

BANTAMS

The Bantams also chose the three finalists on Saturday. Norval Hornets earned a place in the standing when they eliminated Flyers 2-0, goals by Bill Richardson and Peter Pomeroy.

Bob Mackie led off in a 2-0 win for Reds over Bears. Hyde from McGuigan added the second.

Barons came from behind to win 2-1 after Bob McGuigan and Bruce Denham had combined for the first goal of the game. Benstead (from Timleck) and Preston scored for the winners, who claim the Glen as home.

JUVENILES

As there were only four teams in the juvenile league, all four are engaging in the round robin to choose finalists Wednesday night, after the Port Dover intermediate game, Tigers and Mercuries clashed with Tigers winning 7-3 to extend their winning streak. Jack Bettke with 3 goals and George McClure, 2 goals and 2 assists played a big part in the scoring picture for the winners, with Jim Kirkwood also getting a goal. Captain Bill Hewitt scored 2 for the losers and Gray Merriman one.

On Friday night, Dutchmen beat Marlboros, the score reading 4-2. Scott scored 2, Bud Vacey and Dave Bowman one each, Blake Ingalls got both goals for the losers.

G.R.C. Plans Many Activities During Easter Week

The illness and death of a beaver again the centre of attraction for motorcycle enthusiasts from all parts. Don Burrager, as chairman of a committee composed of Bruce MacKenzie, Clem Dwyer, Joe Emmerman and Jim Williams has completed arrangements with the Toronto Motorcycle Club to hold a race meet under AMA auspices on our local track. Messrs. Burrager and MacKenzie were instrumental in the success of the previous motorcycle races held in Georgetown and their experience ensures us a bigger and better day and a sizable addition to the Recreation funds. Let us show our appreciation for their hard work by planning now to bring our out-of-town friends and make the Motorcycle races a gala event.

The GRC orchestra which is forming under the leadership of Alf Perrott will hold its next rehearsal on Thursday at 7:45 in the Rose Room. Any local musicians who are interested are asked to contact Eric Tomlinson at 287M any evening, or turn out to rehearsal. Urgently required are violin, flute, trombone, bass viol, saxophone and piano players to round out the full orchestral strength. Mr. Tomlinson has put a lot of effort into the organization and it is hoped that with the plentiful talent available, we will have in Georgetown an orchestra which can take its place with the best in the country.

There won't be a dull moment for the school kids during Easter week, according to GRC plans laid down by recreational director J. L. Self. Highlighting the sports will be a marbles competition in which there will be \$100 in prizes, including roller skates, baseballs and bats, sweat shirts, a mantle radio, and others. The competition will have four groupings, 6-8 years; 9-10 yrs.; 11-13 yrs.; and over 13 yrs., with boys and girls sections in each. This will be held Wednesday from 1-4 at the Public School and competitors are reminded to bring their own marbles.

Another innovation is speed skating, which will be held from 4 p.m. on Thursday. The Board of Parks Management is donating four cups for the winners. Classes are: Under 8; 8-11 years; 12-15 yrs.; and Over 15.

Ping-pong tournaments for different age groups will be played at the Old Town Hall on Monday, Wednesday, and Friday mornings from 9:30 to 12. Entrants are asked to sign up either with Mrs. Lewis or with the recreational director.

Softball and horse-shoes will be available at several locations in town during the holidays. Balls and bats and horse-shoes will be left in different locations, such as the park and Normandy Boulevard and information as to their whereabouts can be obtained from the director or the GRC secretary, Mrs. Harry Lewis.

Original plans for a soap box derby during Easter week have been postponed till a later date, as there was not enough time to properly organize this.

THE MAIL BAG

Georgetown, April 12, 1949

Dear Mr. Editor: I think the Lorne Scots Band should be thanked publicly for the fine musical treat they gave to those fortunate enough to hear their concert at the Roxy Theatre on Sunday night. Not only was the fine playing so enjoyable, but the conductor, Mr. Perrott, is to be congratulated on the fine program which he chose. There was music for everyone, old and young, with a well-balanced mixture of popular, religious, classical and modern numbers.

The Girls Quartette from Brampton was much appreciated and the chairman, Mr. W. F. Bradley, certainly was well chosen.

All in all it was an evening long to be remembered with pleasure, and I would highly recommend the next concert which will be either Sunday, April 24th or May 1. Let's fill the theatre next time.
