UNFIED CHURCH WI HOLDS EASTER THANKOFFERING>

The Easter Thankoffering meeting of the Woman's Missionary Soclety of Georgetown United Church was held on Tuesday, April 5th in the auditorium of the Church Mrs. R. C. Adams, the president, was in he chair.

Mrs. Hector Bird was in charge of the Devotional, She read, as the portion of scripture, John 14, 1-20 and chose for the theme "The Risen Christ". There was the picture of the Crucifixion, when all seemed lost, another picture of the Resury rection, when faith was established in the Everlasting Life. Our faith in Eternity is based upon our Faith: in God and God' is Love - Love, the foundation of our being and the meaning of our existence . . . The early Christians, after the appearance of Jesus, found that their own lives were energized with spiritual power nothing but the Grace of God in your life and mine is able to save our world from destruction. He needs your help and nine. Jesus lives and He counts on all of us. His disciples, to give evidence in our life and conduct, and service that He is risen.

"I heard Him call "Come follow," that was all. My gold grew dim,

My heart went after Him. I rose and followed -

That was all:"

Mrs. Clarence Buck introduced the speaker, Mrs. Bowyer, Dominion Secretary for Associated members on the Dominion Board. Mr. and Mrs. Bowyer have been missionaries in China for some years. They are prevented from returning by present conditions in China. They enjoyed the friendship there of Dr. and Mrs. Gordon Agnew and of many sincere Chinese friends. She spoke of the work here at home of the W.M.S. as being just as important as the work of the missionaries in the field. She referred to her various articles in The Missionary Monthly on Associate Members work and gave a number of gleanings fom them. Dominion returns for this year from those members amounts to \$31,000.00 which would no doubt accomplish great things for the Kingdom. She said indifference was the most insidious evil. We can combat evil at our very door.. She urged the ladies to Milton to engage in a little fracas take up their task with renewed devotion, creating increased interest in Associate members. A word about the picture: Quite s good picture with some superb setting by Sir Laurence Olivier. It was comparatively free from any fast action but the story , moved fairly rapidly. Very sad and on a grim note with bodies streyen all around the place. (HO HUM) the only part I found hard to bear came when Ophelia drowned. There's one gal that should have lived, regardless. I would not recommend this for the average run of people who have not read at least one of Shakespeare's plays as the A Welcome Relief: language is a little hard to follow unless you have a littel grounding
