Third Term as Institute President for Mrs. H. Bailey

The annual meeting of the Georgetown Women's Institute was held at the home of Mrs. Wm. G. McDowell, Maple Ave. West, on Wednesday, May 4th, at 2:30 p.m., with the president, Mrs. H. C. Bailey, in the chair.

The motto for the month was: "Life is a garden. What are you planting?" The roll call — a word often mispronounced, was well responded to. Mesdames F. Armstrong, R. Kercher, H. C. Bailey and P. McNally were the committee in charge for the day.

The various annual reports were given, which proved that the Institute had enjoyed a good year, both financially and socially. The nominating committee reported a full slate but one and that was soon filled by a volunteer. The following officers were elected for 1949-1950: Hon. Pres., Mrs. W. T. Sinclair; Pres., Mrs. H. C. Bailey; 1st Vice Pres., Mrs. E. R. Robinson; and Vice Pres., Mrs. E. Gowland; Sect'y. Treas., Mrs. W. Peck; Ass't Sect'y. Treas., Mrs. A. Livingstone; Press Sect'y., Mrs. W. V. Grant; District Director, Mrs. W. Peck; Pianist, Mrs. A. Livingstone; Auditors, Mrs. G. Campbell and Mrs. D. Livingstone; Sick and Shut In Committee, Mrs. E. Thompson and Mrs. F. Armstrong; Helping Hand Committee, Mrs. D. Livingstone and Mrs. W. G. McDowell.

A hearty vote of thanks was tendered the officers of last year, credit being due them, by their helpfulness, for the healthy state of the Institute today. A donation to the layette by Mrs. R. Cave was gratefully acknowledged.

Mrs. Wm. T. Sinclair gave a most interesting talk on her recent trip to New York (via University Tours) in her usual amiable manner which was greatly enjoyed by everyone. Next best to being there was to hear Mrs. Sinclair tell about it.

A vote of thanks was tendered the hostess, committee and Mrs. Sinclair by Mrs. Harold Cleave. Mrs. Fred McNally invited the Institute to her home for the June meeting.

A delicious lunch was served by the committee. Look for the Tart Competition at the Fall Fair. You can rest assured that the GWI will take all the honours.

The speeding of cars through the village is getting bad again. There should be a speed limit here and some "Bad Curve" sign boards. The children going to school all have to cross the road and cross the bridge over the creek which is narrow. Many cars coming down the hill do not check speed in these danger spots.

Little Lynda Barclay will be having a birthday next Tuesday and be 2 years old. Happy birthday, Lynda.

Mr. and Mrs. W. Bradley and Eileen of Hornby spent Sunday, with Mr. and Mrs. Joan Standish.

The best way to store bread crumbs is in a glass jar, with a piece of cotton for a cover. If they are kept in an air-tight container they may acquire a musty flavour.
