KEEPING up with the times is the responsibility of every Canadian business. The latest addition to our cotton mill unit at Magog, Quebec, is an indication of Dominion Textile's appreciation of this fact. Designed on the latest structural plans for such plants, the building is air-conditioned throughout, equipped with fluorescent lighting and the most modern cotton textile machinery. It combines healthful, pleasant working conditions for the employees with a production efficiency which means more and better cotton goods for Canadian consumers at the lowest possible prices.

What a simply gorgeous day Sunday was. . . Thought we'd really get to see the peach blossoms down Niagara-way, but the traffic was "ugh" us. It took us about fifteen minutes to inch along 100 yards after we passed the Hamilton clover-leaf, so we turned back Lakeshore drive, and it was beautiful, with the fruit, orchards and spring flowers in full bloom. . . The county roads were dotted with cars, parked while their occupants went off to try their luck with red and reel. We hear that a lot of people are enjoying speckled trout dinners these nights. M-m, delicious!

That pretty little town of Grand Valley is to have (or has, I imagine, by the time you read this column) a Georgetown family as new residents. . . Mr. and Mrs. L. G. McClintock, better known in town as "Marg and Joe," with daughter Mary, moved from their Market Street apartment on Tuesday. They have bought a pool-room and tobacco business from Mr. Alex Woodrow, Grand Valley. Having purchased the building with the business, the McClintocks will live in the upstairs apartment. . . The move will be quite a change for Marg, particularly who has lived in Georgetown practically all her life. . . Our wishes for happiness and prosperity with them in their new venture.

Moving downstairs into the McClintock apartment are Mr. and Mrs. Jim Alcorn (Bank of Commerce accountant) and family. Then, replacing the Alcorns, in their upstairs apartment, are Mr. and Mrs. George Tizzard, formerly tenants at Berwick Hall. . . Just how Mrs. Alcorn is in Guelph General Hospital, and as we are happy to say, making a very good recovery after her recent operation.

Looking after the Alcorn household and two small sons, during Mrs. Alcorn's illness is her sister, Mrs. John Nicholson and son Bobby from New Glasgow, Nova Scotia.

Mr. and Mrs. Wilf Lavoie, Charles Street, were visitors to the Maritimes last week, when they motored to the home of their daughter, Mary (Mr. and Mrs. Thomas Reid) in Moncton, New Brunswick. Mr. Robert Beenev drove them. . . Mr. and Mrs. Lavoie brought their grandchildren Mary-Jo and Tommy home here for a visit. . . Their daughter Joan, who had been visiting her sister for a few weeks also returned last week.

The building boom is still going strong in Georgetown. . . Noticed McNally and Lane are constructing quite an extensive addition to The Exchange Hotel, and also a couple of new houses in the Dayfoot subdivision. . . An excavation is being made for a new house on the corner of College Street. . . It is being built by Mr. and Mrs. Thomas Nellie of Acton. Mr. Nellie is Mrs. Harry Hale's brother, and has a grocery business in Acton.

Mr. and Mrs. Cliff Norton are moving into the apartment above Butk's Store, just vacated by Mr. and Mrs. "Duke" Burrows. Mr. Norton, who is employed by Provincial Paper Ltd., formerly lived in Mrs. Glass apartment on Factory Street.

Takes us back to the days when we wrote the "Active Service Notes" in the Herald to be reporting "Service" news. . . A.C. Walter Sargent of the RCAF graduated a week ago Friday from his course at Clinton. Apparently the course was a "toughie" for only nine out of the eighteen taking it graduated. Walter, who is specializing in Radar and Communications, is stationed just now at Toronto.

The McGibbon Store is certainly a busy spot these days — hardly a Friday or Saturday in recent weeks that it hasn't been occupied.

Did you see the High School play last week? Orchids to the cast and director for a really splendid presentation. We enjoyed every minute of it. . . Made us feel old, tho', remembering how long it was since we'd been in a high school play. A play's a lot of work to prepare, but a lot of fun too, and to our mind, the experience gained in taking part in plays, is valuable in ever so many ways. After all, how else can talent emerge? And there was talent aplenty last Thursday and Friday nights.

Sorry to hear about the fire that did such extensive damage recently to the home of Margaret Pasmore's parents, Mr. and Mrs. Wm. Pasmore, at Rockwood. The fire broke out in the back kitchen of their residence, and had it not been for the valuable assistance to

You Have Cooperated Well Ontario Employers —

And it looks now as if most of the undergraduates from Ontario universities needing summer employment will be able to find it by the end of the school year.

The situation with regard to permanent jobs for graduates is also promising.

However, MORE summer opportunities STILL are needed for undergraduates and permanent openings for graduates, especially for "Arts graduates" whose training has not fitted them for any particular industry, but who will react quickly to an employer's advantage after brief training on the job.

Through the "clearance system" of the National Employment Service, the Executive and Professional Liaison Officer at your local office can locate a graduate or undergraduate from almost any course you can name, either from within the province or neighbouring provinces.

the local brigade of two members of the Guelph Fire Dept., and the plentiful water supply from the well of their neighbour, E. B. Joliffe, MPP, the house would have been completely destroyed. Mr. and Mrs. Pasmore are staying with their son Edward, on the farm adjoining the village, until their home is prepared and made fit to live in.

Miss Margaret Alexander has accepted a position on the teaching staff of Brampton Public School, after having completed her year at the University of Toronto.

A number of local couples attended the Lorne Scots Military Ball in Brampton on the past two Fridays and several also were guests at the "By-Line" Ball held by the Toronto Press Club at the Royal York Hotel, Saturday night. . . Glimpsed Sarah Churchill and some saw Barbara Ann Scott, both of whom were guests of honour at the Ball.

Mrs. Agnes Johnson, who has been living in Edmonton for the past few months, came back to town last weekend, and will live in one of the Grandview Apartments.

NEW PROVINCIAL POLICEMAN AT MILTON, REPLACES LATE CONSTABLE LEMON

As a replacement for Constable A. R. Lemon who died suddenly last month, Provincial Constable John Bradley has been appointed as county police-officer. He will go to Milton from Dundas headquarters staff, and assumes his new position on May 15th.
