THE WEATHER
Mr. Editor:

Last week the temperature started off to be well in the 80's and then we had a cooler offer.

At least we can say we have had the dust laid a little bit this week with two or three sprinkles, they could hardly be called rains as the total of .30 for the week was not much more than a good shower.

Date	Max.	Min.	Rain
May 16	78	38	
May 17	80	41	
May 18	87	54	.11
May 19	75	50	Trace

Easy Chair Ease

When you sink into the deep upholstery of your bus seat it reminds you of that favorite chair at home. The easily adjustable back gives you a choice of several restful positions. Plenty of leg room and individual reading lights complete the picture of easy chair ease.

LIKE ADDING A COW TO YOUR HERD

Many dairymen discover that a McCormick-Deering Separator gives them more profit than an additional cow. They get more and better cream with little labor and at low cost. These dairymen know that a McCormick-Deering Separator can stop butterfat from slipping away. Find out about these advantages for yourself. We'll be glad to show you this money-making machine.
