G.R.C. NEWS

Family baseball is something new, which is being sponsored by the G.R.C. Thursday evenings at the public school have been set aside for this new wrinkle in sports which is designated to get families playing together and for different sections of the town to meet in friendly competition with other groups. A team is to be composed of three parents, 4 boys (2 over 14 and 2 under 14) and 2 girls (one over and one under 14). Tomorrow night, Normandy Boulevard and College View will play the first game, and next Thursday it will be Normandy and King Street. The pitcher on each team must be a girl or boy under 14.

Thanks to the Lions Club for a grand hockey banquet last night at Limehouse.

In order to efficiently conduct all the various G.R.C. sporting activities, a number of men and women have volunteered to assist in conducting the leagues. These include George Webster and Tom Palmer for bantam boys and girls; Gerard Wilcox and George Bale for mid-get girls; Jim Sargent, mid-get boys; J. L. Lambert, juvenile boys; Jack Beaumont, George Bale, ladies softball; Doug Townsend, Ernie Thompson, Jim Sargent, mid-get lacrosse; Jerry Fendley, bantam lacrosse.
