G.R.C. NEWS

Girls lacrosse is the new GRC activity this week. If enough girls are interested, a league will be formed. Any girls who wish to play are asked to meet at the Lions Bowl on Water Street next Tuesday at 7.30.

Weekly horseshoe matches between four-man teams from different districts in town will start Thursday at the park, with Normandy Blvd., and College View playing the first game. There is room for more entries. Form a team and phone the recreational director, Rev. J. L. Self.

Spend a Monday, Wednesday, or Friday evening at the park and watch the Men's Softball league in action. There is no admission charge. The league is well-balanced and every game is worth seeing.

Boys juvenile hardball will soon be formed in town. Boys from 14 to 18 who wish to play are asked to register with the recreational director.

Watch next week's column for news of the Stay-at-Home vacation school.

The scheduled games in the Men's Softball League have been called off this Friday because of the Booster Party in the park. Cheltenham Concrete and Meadow Glen will play their game on Monday. The Norval-Alliance game will be played at a later date.
