

**GEORGETOWN JOINS
HIGH SCHOOL DISTRICT
NORTH HALTON**

County Council passed a by-law at their meeting last week by which Georgetown will become a member of the North Halton High School District on January 1, 1950. Approval had previously been received from the Ontario Department of Education and the action of county council followed a request for admission from Georgetown Council which had in turn been requested to do so by the local Board of Education.

The North Halton district will now embrace the present members, Milton, Acton, Equeaus and Nasagawaya as well as Georgetown and Georgetown will have three representatives on the 11-man board, the regular member, one extra because this town has the largest Public School enrolment and one extra because our population is over 3,000.

The present Board of Education elected for the first time last December will pass out of existence at the end of the year, and the town will once more have a Public School Board, an elected group, to deal with affairs of that school. Members of the School District board are appointed by County Council on recommendation of the local council.

ASHGROVE

The W.M.S. meeting was held Tuesday afternoon June 14th at the home of Mrs. Vernon Pickett with a splendid attendance. The President Mrs. C. B. Dick opened with the hymn "O Master let me walk with Thee." A short business period was conducted and then the meeting was turned over to Mrs. Thos. Giffen who is leader of the Associate Helpers. She had chosen "Faith" as her theme for the afternoon and opened with the hymn "O for a faith that will not shrink". Roll Call was answered by the word "Faith." Scripture reading by Mrs. Gosling from Hebrew 11th Chapter, verses 1-10. Mrs. V. Pickett played an instrumental number. Mrs. Cecil Wilson had the Study Chapter on Christ in Gethsemane. Hymn and prayer by Rev. Ainsworth closed the meeting. A dainty lunch followed.

The community picnic was held on Wednesday, June 15th at Stanley Park, Erin, with ninety-two children and adults attending. The weather was ideal and everyone agreed it was the best one yet. After a sumptuous dinner was eaten the children enjoyed the swings and boat-rides until such time as they could go into the water and there they paddled and swam until time for the races. The winners were: boys 8 and under Burton Sweezy and Jackie Barnes. Girls 8 and under, Marilyn Wilson and Catherine Hunter. Boys 10 and under — Billy Kerr and Freddie Barnes. To Ex-Service Men of Halton County

The welfare of the returned Ex-Service men of Canada has always been of paramount concern to the present Liberal government. The rehabilitation needs of nearly one million veterans of World War II have been met generously and promptly. No previous governments have ever been called on to perform so gigantic a task. In addition:

HERE ARE SOME OF THE PERMANENT BENEFITS GIVEN UNDER THE LIBERAL GOVERNMENT:

1. Pensionable veterans of World Wars I and II received a retroactive increase in the pensions of 25%.
2. Veterans entitled to War Veterans Allowance received a retroactive increase commensurate with the increased cost of living.
3. The finest Military Hospitals in the world built and maintained for the direct benefit of all veterans whether pensionable or not.
4. The Dept. of Veterans Affairs staffed by the finest experts available to deal with the problems affecting our veterans.
5. Under the Liberals the Ex-Service men of Canada have been accorded the finest treatment, the most generous pensions, and the greatest number of benefits in the world. Not even excepting the United States who in some instances must take second place.

Hughes Cleaver is an Ex-Service man and an active member of the Canadian Legion, Branch 60, Burlington.

A VOTE FOR HUGHES CLEAVER WILL ASSURE EVERY EX-SERVICE MAN OF A SQUARE DEAL AND A CONTINUANCE OF THE VETERANS' BENEFITS UNDER A LIBERAL GOVERNMENT.

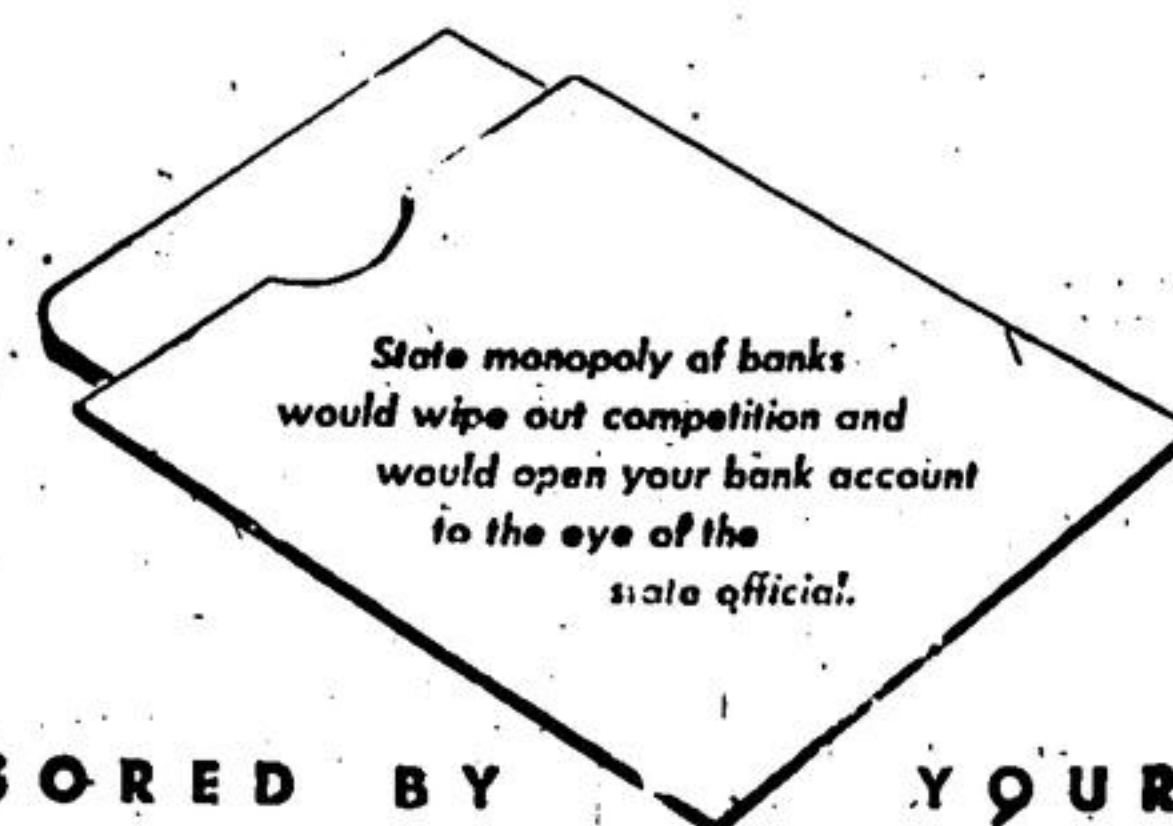

...well

YOU CAN still find people who "don't believe in banks" ... who keep their cash in old coffee pots, or hide it in the woodpile, or carry it around.

But most folk nowadays keep their money in bank accounts. They can get it whenever they want it; and they can pay their bills by cheque. Canadians have more than seven million such deposit accounts. In terms of Canada's adult population, that makes it practically unanimous.

The banks, in turn, know they must earn this confidence by giving you the best service they know how.

Today you can take your account to any bank you choose. And what is in your bank book is strictly between you and your bank. It is your own private business.
