

## HAVE YOU \$10 IN U.S. FUNDS?

If you have more than \$10 in U.S. cash you should turn it in to your bank in exchange for Canadian dollars, without delay. Existing regulations make it illegal for any Canadian resident to retain in his possession more than \$10 in United States cash.

HERE'S THE REASON Canada must have the U.S. dollars spent here by tourists in order to make them available for the payment of imported goods and services needed to keep production and employment at a high level.

## NEWS AND ITEMS OF INTEREST TO HALTON FARMERS

### HOLSTEIN AND JERSEY BREEDERS HOLD ANNUAL FIELD DAY AT O.A.C.

One thousand Holstein and Jersey breeders from Halton and Peel attended their annual field day at the Ontario Agricultural College on Saturday, June 18th. Prior to lunch provided by the O.A.C. the ladies were conducted through Macdonald Institute, and the men over the Experimental Plot and to an exhibit of Farm Machinery. Dr. W. R. Reek, MBE, President of the O.A.C., addressed the group briefly, extending a welcome to the institution. The group was also honored with a brief message from Dr. H. H. Hannam, President of the Canadian Federation of Agriculture and newly elected President of the International Federation of Agriculture. The chief speaker was Mr. Linstrath Homer one of the delegates of the I.F.A.P. from the Netherlands. The speaker briefly reviewed agricultural conditions in Holland.

Prof. Geo. E. Ralphy, of the Animal Husbandry Staff, gave a brief outline on Herd Classification, following which two classes of dairy cattle were judged, the official judges for which were Geo. ### INTERNATIONAL PLOWING MATCH SCHEDULED FOR BRANT COUNTY

The 1949 International Plowing Match is to be held near Burford, Brant County on October 12, 13 and 14. Owing to the tremendous growth of the International in recent years, the directorate of the Ontario Plowmen's Association has found it necessary to limit the entry from Ontario to those who completed a land in competition at one of the Branch Matches in 1948. Another change in the regulations necessitates all entries being made prior to 5.30 p.m. of the day previous to the Class or Competition.

### JUNIOR HOMEMAKER LEADERS HONORED

At the recent Junior Homemaker Achievement Day for Halton County a pleasing feature of the afternoon program was the recognition given to the Club Leaders. Among those honored by Miss Lucille Barber, County Home Economist, was Mrs. H. F. Batkin of the Wildwood Club; Mrs. Frank Chisholm of the Hornby Club; the Misses Eleanor Stark and Mae Wingfield of the Ashgrove Club; and Miss Mildred Reed of the Ash Club. A Provincial Honour Pin and Certificate was presented to Miss Mae Wingfield of the Ashgrove Club for having completed her twelfth Homemaker Club Project; Mildred Reed of the Ash Club and Ruth Barnes of the Ashgrove Club who have each completed six Projects were similarly recognized with County Honour Pins and Certificates.

According to Miss Barber, the day on the whole was most successful and the standard of work was high.

In "The Cereal Shelf" in which 23 girls competed, each girl displayed a Record Book and two whole wheat muffins which she had made. In addition, each Club member judged a class of muffins; worked a Cereal Quiz, and planned some Menus. The other project, "Cotton Accessories for the Club Girls Bedroom" brought out 12 Club members. In this project each girl displayed the accessories which she had made for her room along with her Record Book, and judged dresser scarves and chair pads. Each girl also did planning of colour schemes for bedrooms.

In short, the Junior Homemakers participating feel they get a great deal of value from these homemaker projects; and it is the hope of Miss Barber that when the new projects are announced this fall, more of the Senior and Junior Women's Institutes will sponsor groups in their respective communities.

### THE NURSE

She had a gift of healing,  
The lady whom we knew,  
For others, deep her feeling,  
A friend both staunch and true.

She had a priceless treasure  
Not found in any purse;  
Service gave in lavish measure,  
This lady we called the nurse.

She had never been to college  
And she boasted no degree,  
And where she got her knowledge  
A mystery was to me.

Called often in night time drowsy,  
In sunshine, and in rain,  
To soothe a sufferer weary  
Treading the isles of pain.

Or, when life flickered uncertain  
"Nurse, I've no fear if thee  
Will hold my hand at the curtain,  
Through the valley go with me".

Or after hours of watching,  
Deeply thankful, without false  
pride,  
A ray of sunshine catching,  
The reaper turned aside.

Or when a fight had finished,  
And the reaper grim had won,  
Still with courage undiminished,  
Simply said "Thy will be done".

Yours was a life of giving,  
Enshrined in our memory you  
Still in our hearts you are living,  
Skillful, unselfish and true.

**INDIVIDUAL SECURITY** — Employment, trade, income are all at new high levels. Taxes have been reduced. New factories, new developments of oil, mineral and other natural resources are creating more wealth, more jobs.

**SOCIAL SECURITY** — The Liberals have put through all these social benefits: Old Age Pensions, Pensions for the Blind, Family Allowances, Hospital and Health Grants, Unemployment Insurance, Floor Prices under farm products. The Liberal aim is nation-wide contributory old age pensions and contributory health insurance.

**NATIONAL SECURITY** — The Atlantic Pact against aggression and war has the complete support of all Liberals. Rt. Hon. Louis St. Laurent was one of its first and strongest advocates.
