JUNIOR FARMERS LACROSSE
 Tullamore took a 7-4 victory over Trixie in a Junior Farmer lacrosse match played at Norval on Monday. Streetsville continued winning against Ebor and on Tuesday night.

Last week Trixie trounced Ebor 9-1 and Tullamore continued their winning streak by edging Allos 6-5. An earlier Streetsville Allos game won by the former has been ruled out because the winners had too many players dressed and will be played at a later date.

THE G.R.C. CREST

The G.R.C. crest of red letters on a blue background is an award for sportsmanship and outstanding ability and merit in G.R.C. activities. It is the award given to all champions and award winners in G.R.C. competition. It is also the award given to a good coach, umpire, referee or to one who has shown outstanding leadership ability.

The crest itself is awarded only once. But each time it is won a small bar-crest is given with it to indicate the reason a boy or girl is wearing the crest. When a boy or girl has won the crest with six such bar-crests he will be given a lovely engraved silver cup.

Anyone wishing further information is asked to contact the recreation director.

In view of the fact that coaching and umpiring or refereeing are considered important in training and leadership anyone interested in this field of activity should note the following if they are interested in the G.R.C. crest award.

To earn a crest in coaching, refereeing, umpiring, etc., one must

1. Attend two short lectures.
2. Be able to answer a short quiz on the sport they are coaching or refereeing.
3. Must show ability in calling decisions.
4. Must be able to keep order and demand respect.

SYBIL BENNETT, K.C.
 Georgetown

To The Electors of Halton.

This is the fourth time I have addressed you in this manner and I am afraid it is the last before you make your choice of a government on Monday, June 27th.

You have probably gathered by this time that I am not a professional politician. I do not claim to be. I do claim to know, however, what the women want from government because I run my own home; I know what the farmer wants because all my life the land has been close to me; I know, too, what the businessman needs because as a lawyer I have been in close touch with such matters. And finally, I feel I know what the average workman wants because I realize that no country can be rich and strong and advanced if he is not well-paid for his toil.

These last few weeks have been busy ones for me going about the country visiting the women in their homes, the farmers and talking to the businessmen and the men and women in industry.

These election days have been extremely enjoyable, extremely interesting and extremely valuable. Whether or not I am your choice as your Progressive Conservative representative, these have been days I will never forget. I have met hundreds of people I had never been fortunate enough to meet before, and I have come to realize in a very real sense what a great country this is.

Despite its richness, however, there are many things that it needs from a government. Its rural and urban populations need many things, things that they have earned and deserve. I want to do my part to see that they get them.

At this time I can mention but one for I have not much space—I refer to security and the benefits it brings under the heading welfare.

I believe, and the party of which I am a member believes, that we need health insurance, accident and sickness benefits, hospitalization, security from unemployment and want. We believe, too that everyone, I stress that word, should get a pension at the age of 65 years. Everyone receiving pensions should be allowed to keep his or her home and savings, and they should be permitted, if they wish, to go on working so as to be able to afford added little luxuries. Why should we penalize thrift?

It seems to me that this is a heart-warming program and I would be proud to play a share in putting it into effect.

There is just one other thing I wish to say to you now. And I can not over-emphasize how important I feel it is.

This is your vote, your privilege, and indeed your duty to use it. Naturally I want you to vote Progressive Conservative—but believe me when I say, I want you to vote no matter what way you vote.

Too many of us, I am afraid, forget how valuable the franchise really is. It was won by the blood and the tears of our forefathers. Thousands of them died to get it. The vote is our passport to democracy and freedom. It must be used if it is to remain valid. Its power will vanish if it is not exercised.

And have you ever thought of this? The only people who can logically criticize a government are those who used their votes. Those who quire have no one to blame but themselves if they do not like the government they get.

And now, if I may, I would like to address a few words to the women of Halton.

I appeal to you to vote, not to shrug off your duty by saying that it is enough that your husband is using his ballot. And please vote as YOU wish. Find out the issues and then make your own choice.

We women have tremendous power and influence, having approximately 54 per cent of the vote, but we must use it.

We merit representation in government for with our experience in running the homes of the nation, with the constant challenge of providing families with the best in life, and often with pitiable small sums of money, we have acquired a sense of thrift that is too often lacking in politics.

So I say, once again, please vote. In conclusion I would like to thank you all. Whether or not you were in sympathy with my political views you always gave me a polite hearing and for that I will always be grateful. There is much I want to say but I find I can sum it up in one simple word — thank.

Your Progressive Conservative Candidate,
 Sybil Bennett.

STEWARTTOWN

The W.A. meeting at Mrs. C. Smith's home last Thursday was a quilling.

Our teacher, Miss Davies and her pupils had a picnic Friday afternoon. They started with swimming and wading in the swimming hole, then back to the school grounds for lunch, games and races. Every one reports a good time.

Mr. and Mrs. Harry Smethurst and their two children of Barrie spent a few days with Mr. and Mrs. C. A. Grant.

Friday evening there was a community social evening in the Hall, which was well attended. Cards and visiting the first part of the evening. Rev. J. E. Maxwell was chairman for the programme which followed. Mrs. R. Preston sang two songs accompanying herself on the guitar. Mrs. Francis Thompson sang two solos. Six girls sang, Evalonne Smith, Ruby Tennant, Jeanine, Betty and Ann Humphreys, and Betty Ann Henderson. Mr. McLean sang some cowboy songs and played the electric guitar. Mr. Maxwell then asked Mr. and Mrs. T. Clapham to come to the platform where Mrs. Grant read an address and a presentation was made of a table and an electric iron. Tom and May who really were surprised thanked their friends and neighbours for their gifts, refreshments were served, and the rest of the rest of the evening was spent in dancing.

Pupils of Mrs. Bally's piano class and their friends met at Mrs. Bally's home Saturday afternoon for their annual recital. The young people put on a very enjoyable program. They were assisted by Mrs. R. Preston (Eleanor Smith) who sang and played the guitar at intermission. Taking part were: Vern Pickett, Susan Canham, Peter Canham, Ruby Tennant, Joan Drake, Ralph Cunningham, Evalonne Smith, Barbara Cunningham, Viola Bridgen.

Mr. and Mrs. Edward Bally, John and Paul, Mr. and Mrs. P. R. Bally, Dawn and Stephen, all of Toronto spent Saturday at their home here.

Congratulations to Donald Lawson who passed all examinations in third form on his year's work at Milton High School.

Congratulations to Kay Malotte, Evalonne Smith and Lois Mileham who passed their entrance exams on the year's work.

Lacrosse Season in Full Swing at Norval

The Norval Intermediate lacrosse team have had poor luck to date and have failed to win a game in their first three starts. A week ago Friday they lost the season's opener at Fergus 11-8 and the next week lost to Woodbridge 7-5. Last Friday, playing their first home game against Orangeville, bad luck dogged them and with the score tied near the end of the game the visitors rapped in two quick goals to win 5-3. Clark Lyons was the scoring star with two goals in this game; B. Palmer netting the other one's pass from S. Palmer.

The juveniles have played two games to date, losing 7-4 at Woodbridge and adding playing a 2-all tie with Orangeville.
