I wish to thank most sincerely all those who voted for me in the recent election. Considering the results across the Dominion I feel that the Progressive-Conservative party in Halton made a very creditable showing due to the zeal and the splendid support of those who worked with me. Owing to their political beliefs differing from mine, I appreciate the opinion of those who found themselves unable to support me and I trust that in the future I may be able to render whatever service is required of me in this community and throughout the County of Halton.

M. Sybil Bennett.

MEMORIALS

BOYD — In loving memory of a dear husband and father, David Abner Boyd, who passed away on June 28th, 1937.

In a near and silent graveyard Where the trees their branches wave

Lies a kind and loving husband In a cold and silent grave. He bade no one his last farewell, He waved his hand to none, His spirit left before we knew That he from us had gone.

— Sadly missed by his wife and family.

STARLETON — In loving memory of a dear father, Harry Starleton, who passed away June 27th, 1947. We often sit and think of him When we are all alone, For memory is the only friend That grief can call its own; Like ivy on the withered oak When all other things decay, Our love for him will still keep green.

And never fade away. Ever remembered —Alma and Cecil
