

## Round the Bend

with Steamboat

Last Wednesday night saw the locals again defeat Acton in a very close and exciting ball game. After dropping their first few games Acton sent for reinforcements and came up with some ex-pro and senior ball players but even this added strength failed to help their cause against Georgetown. Bringing in reinforcements advanced Acton from 'B' to 'A' and they will not meet Georgetown in the playoffs. As the league stands now Waterdown and Acton will play off for A, Georgetown and Ferris for B and Milton and Hamilton will play off for C.

The locals after a few shaky games have come along and have really been playing good ball lately. The games they have lost have been by close scores. One thing noticeable about the Georgetown club is the ability of several players to play various positions. This has been a big help in games where some of the boys were unable to leave their jobs to play.

they have nothing to worry about. To prove to the softball public that some of the players are not satisfied with the way the club is run two of their stars have asked to play for the Lions Club.

Hal Gibson, peppery catcher of the hardball team and Ken Nash both popular sports in town, winter and summer are scheduled to play in the next game for the Lions. The Cheltenham team have tried to pack their team with a horde of first class ball players with the result in a 5 innings double header in softball. Gibson and Nash were lucky if they played an inning of ball. Now these two lads want to play for fun and for a team not quite as strong but more popular than the "Blockmen". In other words these two boys want to play 5 innings on a different team than 1 innings on a star studded winning team. The Lions team are glad to have these kind of fellows on their team.

### IN THE INDUSTRIAL LEAGUE

The Glen has become quite a threat to the richly clad Cheltenham Concrete team. The Legion are strong enough to give them a good tussle and the Lions Club should beat them before the season ends. The Cheltenham team has caused a lot of controversy in this town league, so far this year. We know they misinterpreted the rules a few times but as long as they win

The senior and Junior W.A. are packing the bales, the seniors are holding their closing meeting, and handing in the Sunshine Bags all on Thursday of this week at Mrs. Baily's home.

### Bastedo - Dale Wedding at Grahamville

Grahamville United Church, decorated with peonies and carnations, was the setting for a pretty wedding, on Friday, June 24th, when Audrey Jean, only daughter of Mr. and Mrs. Norman Dale, became the bride of Aubrey Earle Bastedo, son of Mrs. Bastedo and the late Earle Bastedo. Rev. John G. Morris officiated. Given in marriage by her father, the bride wore a gown of white taffeta. Her fingertip veil was held by a headress of lily of the valley and she carried a bouquet of red roses. Marion Black was matron of honour and the bridesmaids were Patricia Crawford and Merle Parr. Headdresses and gowns were of light blue, mauve and rose. They carried nosegays contrasting with headdresses and gowns. Robert Dale, brother of the bride, was groomsmen, and the ushers were Kelvin Dale and Gordon Bastedo. During the signing of the register Miss Vera Parr sang "Because" and was accompanied by Mrs. Doug Lansdell. Following the ceremony a reception was held at the home of the bride's parents when the bride's mother received about 60 guests wearing pale blue crepe with navy accessories and corsage of pink roses. She was assisted by the groom's mother wearing white with blue accessories and corsage of roses. The couple left later for Muskoka the bride wearing a suit of turquoise blue with navy accessories.

The wearing of pendants as jewellery is derived from the primitive practice of wearing wild-animal teeth, stones, or shells around the neck with magical intent.

## LET NOTHING COME AHEAD OF THIS

First of all, when you are paid, pay yourself. Unfailingly, set aside a definite percentage of your earnings, deposit it in a savings account with us—and leave it untouched. Then plan to live comfortably on the balance of your earnings. In this way you are bound to succeed—to enjoy life much more, to be independent when independence means most.

Be generous to yourself.
