G.R.C. BEGINS CAMPAIGN FOR FUNDS

The Georgetown Recreation Commission fund raising campaign is off to a good start with canvassers out in most districts and a total of \$102.20 reported to date. This includes a \$25 donation made by the G.R.C. executive.

Billy Hardman, 12-year-old son of Mr. and Mrs. Bob Hardman, Normandy Boulevard, has given the campaign a boost by a business-like piece of salesmanship. A pop stand on the highway Thursday afternoon netted \$2.10 followed on Friday evening by hot dogs which showed a profit of \$1.00. With the support of youngsters like Bill, Georgetown will be able to boast about its recreation program.

Not included in the total receipts are previous donations made by Smith & Stone, the S & S union, the Lions Club and the Women's Institute. Canvassers are asked to report next Monday between 7 and 8.30 in the evening at the Municipal Building with their record of collections.

Those whose donations have been acknowledged to date are:—

B. Wilcox, R. Wiggins, Fred Spires, G. Spence, J. McMenemy, Josephine Lorusso, Mrs. Boyd, Mrs. Yates, J. Brunton, Mrs. Soper, W. Freestone, J. Louth, J. Emmerson, C. E. Day, Robt. S. Andrews, W. J. ST. GEORGE'S PICNIC AT LASALLE PARK

On Saturday, St. George's Sunday School held their annual picnic at La Salle Park with a record attendance of 200 pupils and parents. In spite of the heavy showers everyone put in an enjoyable day and there were ample amusements for the young folk. A mysterious man, Bob Burns, kept them busy and was finally discovered by Danny Hewitt. Bill Doherty located the treasure in the treasure hunt and the always-welcome peanut scramble was held as usual. The Legion picnic, scheduled for the same day was postponed in order to give children of Legion members a chance to attend.

Just before leaving for home a number of races were run, with winners as follows: Beginners—prize to everyone; Girls 6-7, Brenda Dawson, Sandra Kelly; Boys 9-7, Hugh McNally, Bill Ingleby; Girls 8-9, Barbara Bowman, Patsy McNally; Boys 8-9, Roy Wiggins, Robert Kidd; Girls 10-12, Dorothy Hiller, Shirley McNally; Boys 10-12, Danny Martin, Billy Oates; Girls 13-14, Helen Chaplin, Eileen Ditchfield; Girls 15 and over, Ruth McNally, Mary McNally; Boys 15 and over, Don White, Paul Barber; Sack races, Danny Hewitt, Shirley McNally; 3-legged race, Carol Seddon, James Potts; Wheelbarrow race, Ann Bedell, Paul Barber; Surprise parcel, Mrs. Sam Walker; Shoe race, Freddy Dickenson; Walking race, Mrs. Albert Dawson; Potato race, Alva Grieve.

MACKENZIE NEWS

Have you noticed that Georgetown has the "new look"? There are two television aerials that we can see—one over Hugh Lindsay's home and the other over Harold McClure's store. Congratulations to these men on being the local pioneers.

We have added a new counter just to display builders' hardware. We can supply you with cupboard door hinges, fasteners, and pulls and all the numerous hardware items that are necessary in a house. Come in and look over our display.

See you working in your garden this week.

Not sure if this will be a farewell column or not this week. We don't mean for good, for we do enjoy the job of chatting. But for a few weeks we are relaxing (?) on the shores of Lake Huron and it is difficult to keep any local colour in the column unless we can cadge a few of the editor's items. So if Chatting is missing for an issue or two, you'll know the reason.

A nice idea for the teachers at the Public School to give Mrs. Edna Tapp a farewell present which will always remind her of Georgetown. One of Mrs. A. G. M. Bruyns' lovely flower paintings was the gift, and having had many opportunities to view our former neighbour's artistic skill we know that Mrs. Tapp will treasure it all her life. The presentation was made on the last day of school at a tea party in her honour. Mrs. Tapp, as you already know is re-joining the Gravenhurst teaching staff in September.

Audrey Merritt, who becomes Mrs. Bill Anderson this Saturday, has been royally feted by her friends. Mrs. Harold Schenk joined Mrs. Jack Saunders at her home for a cup and saucer shower, while Mrs. E. B. Tyers was hostess at a miscellaneous shower which daughter Kay and Audrey Mitchell tendered. Another lovely event was a miscellaneous shower at the home of Mrs. Fred Braisby, her daughter, Mrs. Bob Harris being joint hostess. Audrey also received a beautiful tea set from the Ladies Afternoon Club.

It was a real treat which Tom, Warner and Jack Armstrong gave their boys' choir at St. George's when they took them to Toronto on Monday night to see Philadelphia "Phillies" in action against the Maple Leafs. Max Hughson assisted in transporting the boys to the city.

Sorry to hear that one of Georgetown's veteran business men had a set back in health in the person of Mr. Morris Saxe and has been ordered to take it easy for awhile. The Georgetown Creamery doesn't seem the same without him at the helm. Son Dave is doing double duty these days running the creamery with one hand and his own garage business with the other. Last reports are that his father is much improved.

A note from Mrs. F. Binnie, one of our most interested subscribers, tells us she has been in Peterborough Civic Hospital, but expects to soon be home again in Lindsay.

And also on the hospital list has been Mrs. Bob Hoare, missing from her accustomed post at the Royal Bank this past week while she recuperated in Guelph General Hospital after an emergency appendicitis operation.

Some think the placing of a double advertising signboard in front of the lacrosse bowl on the Lions Club lot on Water Street will be a blot on the landscape, but so far it is quite the contrary. The sign covers up what has not been exactly a pretty sight and will do double duty as a backstop for lacrosse. And the club will net a substantial sum each year for its welfare work without all the trouble of raising money from the public.

Mr. and Mrs. Doug Caldwell have moved from their Berwick Hall apartment to one over the Royal Bank. Mr. and Mrs. Gene Green and baby, who had been living there are at present with Mr. and Mrs. Jack Polly in their apartment above the mayor's barber shop.

We're hoping that Saturday's wonderful rain will aid the raspberry crop. A few little strawberry feeds have left our mouth watering for berries and we count on a few meals of raspberries to make up for it.

People are so thoughtful when there is trouble in the house. A recent accident to daughter Ellen brought literally dozens of enquiries and made us realize how grand it is to live in a small town where neighbours take an interest. Luckily the accident did no permanent damage, the two black eyes are gone, as has the bump on the nose. And with the resilience of childhood our little "climber" is back at it again. Children wear horseshoes 'round their necks, or none of us would ever live to a ripe old age.

The wearing of pendants as jewellery is derived from the primitive practice of wearing wild animal teeth, stones, or shells around the neck with magical intent.

Japan has three-and-a-half earthquakes a day, on the average, tho' most are imperceptible.
