GHS TEXT BOOKS 1949-50

The following is a list of the text
 books to be used at GHS this com-
 ing school year. The text book sit-
 uation has eased a little during the
 past year but many books are still
 difficult to obtain in sufficient
 quantities. It is a very serious han-
 dicap for a student to go several
 weeks in a course without the aid
 of the prescribed text-book. Stud-
 ents are therefore urged to procure
 or order their books as soon as
 possible. Second-hand textbooks in
 good condition may be ordered from
 the school on the first day of
 school. All other text books and
 notebooks should be referred through
 the local merchants.
