**SCOUT NEWS**

Scouting and Cubbing in Georgetown are getting back into routine this week. Regular meetings of the Boy Scout Troop will be held on Wednesday evenings at 7 p.m. Wolf Cub pack meetings will be held on Friday afternoons at 4 o'clock.

Scouts have been in the news this summer. It gives us a thrill to know that we belong to that group of five and a half million boys who make a brotherhood around the world. The "Good deeds" of Scouting are known in many countries. Canada has been no exception. According to the press reports Scouts in Canada have learned to act fast in case of emergency and as a result human lives have been saved.

**THE BOY SCOUT HYMN**  
 Grant us, O God, that in our youth, We may learn duty, faith and truth,  
 And by our Promise and our Law, Serve the great end our Father saw,  
 In brotherhood throughout the world,  
 May the Scout banner be unfurled:  
 Let not our feet in sin be snared,  
 Help us for life to be Prepared,  
 For Thee, O God, our spirits search  
 For Thee, our Colours in Thy Church;  
 For Thee our hope, for Thee our Pride,  
 For Thee our strength and all beside,  
 Through war and peace Thy blessings give,  
 Teach us and all men how to live,  
 With honour may we keep our trust,  
 And through Thy Cross be saved,  
 O Christ. Amen

**NORVAL RESIDENT DIES IN 82nd YEAR**

Death removed one of the best-known residents of the Norval district in the person of Mrs. Robert E. McLaughlin, who passed away on August 29th after an illness of four months. In her 82nd year, she had held the esteem of a large circle of friends by her cheery and friendly disposition.

Formerly Jennie Elizabeth Hardy she was born on the 5th Line, West, Esquesing, a daughter of the late John and Barbara Watkins Hardy. She had resided in this district all her life. She was a member of Norval United Church and an active church worker in her earlier years.

Predeceased fifteen years ago by her husband, she is survived by five sons and three daughters, Wilfred of Georgetown, Charles, William and Hamilton, Norval; Stuart, Streetsville; Mrs. Walker Dufy (Isabelle), Bolton; Mrs. T. Giffen (Florence), Georgetown; and Hazel, Norval. Two brothers and two sisters also survive, George Hardy, Guelph; William Hardy, Miami, Florida; Mrs. Ward Riddell, Georgetown; and Mrs. Mary Crozier, Streetsville. There are four grandchildren. A brother, John Hardy, was killed in an accident on his son's farm near Milton last month.

The funeral service was held last Wednesday with interment following in Hillcrest Cemetery, Norval.

Today we Live in a Greater Canada

**They Drained a Lake**  
 to give Canada a Great New Industry

IT HAPPENED in Ontario's Rainy River District. Steep Rock Lake — fifteen miles long and ranging in depth from 40 to 265 feet — was emptied by batteries of giant pumps. Finlayson Lake was lowered by draining from the bottom. The course of the Seine River was completely changed. And one of the richest bodies of iron ore on the continent was uncovered. Providing millions of tons of ore a year — with enough uncovered for years to come — Steep Rock's development has been spectacular, but it is only ONE of many examples of Canada's tremendous modern advance. Today we truly live in a Greater Canada — one with productive capacity vastly increased and diversified, offering to young Canadians greater opportunities than ever before in every field of endeavour.

The iron and steel manufacturing industry presents another spectacular example of development: productive capacity and number of employees have been doubled since before the war, striking indication of Canada's new position as one of the world's great industrial nations.

**SO MANY OPPORTUNITIES**  
 "A sound idea and the determination to carry it through — those are sure passports to success in Canada today where there are so many interesting opportunities in so many different kinds of activity," says Mr. LESLIE BUTCHER, of Windsor, Ont.

Mr. Butcher — member of Canada's 1936 Olympic basketball team — after returning from college in the U.S. and being manager of a local insurance office, started his own Butcher Enterprises. Their development provides many examples of this young Canadian's energy and enterprise. They include: a unique and successful service in the wrapping of products for shipping; and the modernization of the Windsor Arena to present outstanding sports and entertainment events with great success.
