**Lyons - Mason Wedding in Brampton**

A pretty wedding was solemnized in Christ Church, Brampton, on Saturday, September 17, when Ruth Caroline, daughter of Mr. and Mrs. Victor Mason, became the bride of Clark Laidlaw Lyons, son of Mr. and Mrs. Harold G. Lyons, Norval. The church was decorated with pink gladioli and Rev. C. A. Johnson performed the ceremony. Mrs. W. E. Glennay, at the organ, accompanied Lloyd Laidlaw who sang the Lord's Prayer during the signing of the register. The bride, given in marriage by her father, wore a gown of white slipper satin and a Mary Queen of Scots head-dress held her floor length veil. She carried a cascade of white roses and stephanotis. Mrs. Alan Widdis, sister of the bride, as matron of honour, Mrs. Douglas Reid, sister of the groom, Miss Ella Hill and Miss Marilyn Campbell, as bridesmaids, were all gowned alike in moire taffeta of pastel shades, matching mittens and wore halo net headdresses. They each carried bouquets of roses. Little Diane Shelton, as flower girl, wore a dusty rose gown, halo net headdress and carried a basket of rose buds. Ring bearer was little Wayne Widdis. Mr. William Laidlaw performed the duties of best man and the ushers were Alan Widdis and Douglas Reid. For a reception held at the Yellow Briar Inn, the bride's mother received the guests wearing a navy crepe dress, navy accessories and a corsage of red roses, assisted by the groom's mother who wore a Gainsborough blue crepe dress, wine accessories and a corsage of cream roses. For a motor trip to North-ern Ontario, the bride donned a navy blue gabardine suit, matching accessories and a corsage of red roses. On their return they will reside on the groom's farm at Norval.

Flour used in Newfoundland is all enriched by added vitamins and minerals, but Canadian law prohibits enrichment in the other nine provinces.

Help Home-makers! Most farmers cull out the "boarders" of the year-old poultry flock at this time of year and fatten them for market or kill and store for the family table.

With access to a cold storage locker or a home freezer, you will be advised to consider this method of storing dressed poultry. To prepare fowl for freezing requires no special tools. You clean the bird, exactly as you would for cooking, and then wrap it in moisture-vapor-proof paper.

If your right-hand man is inexperienced in killing poultry the easy way, you can ask for a bulletin on dressing poultry from your agricultural representative. It will save time and last minute preparation for serving the storage bird if it is singed and stuffed before freezing. If sage or thyme is used in the dressing the amount should be one third of usual quantity as herbs may permeate the meat if too much is used. Once the bird has been cleaned and prepared, it should be wrapped and frozen at once. If this is not possible, keep in a cold place, preferably under the freezing unit of the refrigerator.

Wrapping meats for freezing requires special paper. Regular butcher store paper cannot be used, nor can household waxed paper. Poorly wrapped birds dry out in storage and are tough and dry when cooked. They may also become rancid. Ask for waxed-sulphite paper and gummed tape. Alternatives would be aluminum foil or heavy parchment paper. Wrapping materials may be purchased from a locker company, feed store or a district co-operative.

As the prepared chicken in wrapped, fold in one end and smooth the paper to conform to the shape of the bird, thus eliminating air pockets. Seal with long strips of cellophane tape and label with a black crayon.

Parchment sandwich bags are handy to wrap disjointed pieces of orders or stewing birds. Then package the quantity you would use at one meal in one parcel and list contents on label. Place in fast freezing space at once.

To defrost frozen poultry allow 12 hours at room temperature. However, frozen chicken for roasting or fowl for stewing may be cooked about 15 minutes per pound extra cooking time.

Roast 4 to 6 lb. chicken or turkey at 350 degrees, 2 to 2 1/2 hours.

Roast 10 to 12 lb. goose or turkey at 325 degs., 3 to 4 hours.

Roast 14 to 17 lb. turkey at 300 degrees for 4 to 6 hours.

Broil halves or sections of chicken 5 inches from top element for 15 minutes on each side.

**TAKE A TIP**

Government grades indicate quality and finish of table poultry, but home-makers should order the kind of bird to fill their needs. For instance:

A broiler is a two and a half pound tender young chicken, excellent for broiling or frying.

A fryer may weigh up to three and a half pounds and be cooked as a broiler.

A roaster is a young chicken over three-and-a-half pounds.

A capon is an unsexed young male chicken and is ideal for roasting.

A rooster is a "has been" roaster, usually ordered as a broiler. A hen is also a broiling or stewing fowl.

**Local People Attend Bishop's Enthronement**

An important event for members of the Church of England in Niagara diocese was the consecration and enthronement of the Very Reverend Walter Edward Bagnall, B.A., B.D. as seventh Bishop of Niagara. The ceremony was held last Wednesday, in Christ Church Cathedral, Hamilton, and was attended by several from this community including Archbishop W. G. O. Thompson, Mr. and Mrs. W. F. Bradley, Mr. Thomas Parry, Mr. Lindley Beaumont and Mr. and Mrs. Joseph Eason. The sermon was given by the Right Reverend G. N. Luxton, Bishop of Huron, whose father was once a bank manager in Georgetown and who started his church career as lay reader in the Anglican church in Mount Forest when Archbishop Thompson was rector in that town.
