**NEW MEMBER INITIATED  
AT LEGION MEETING**

A new member, George M. Hutchinson, who served with the Royal Navy during the war, was initiated into membership in Branch 120, Canadian Legion, at the opening fall meeting of that organization last Thursday evening in the Legion Hall. Members of the Initiation Team were Thomas Grieve, Charles Parton, Alex Taylor, James Murphy and Branch, President David Bowman. Mr. Hutchinson lives in Cheltenham and is employed there with the Cheltenham Brick Company.

President David Bowman conducted the meeting and the minutes were taken by the secretary, Wallace Thompson. A motion was passed to have a survey made of the Legion property which would then be fenced in to provide parking accommodation at the rear of the building for members. It was also decided to buy a number of fire extinguishers which had been recommended by the district inspector on a recent visit to the building.

Mrs. Thomas Grieve, who has for many years served as chairman of the Poppy Day committee, was again asked to accept this position. Alex Taylor gave a brief report of a public meeting which had been held in the hall earlier in the evening to protest the action of town council in hiring an assessor without publicly advertising the position. It had been decided at this meeting to attempt the formation of a ratepayers' organization and the use of the Legion Hall was granted for the holding of an organization meeting.
