**MACKENZIE NEWS**

The differential 10% between our dollars and the U.S. affects the price of coal right to the border and this means \$22.75 per ton for Anthracite, coal at the present time.

The price of range coke is \$17.00 per ton, making this good fuel at a very attractive price.

We are predicting a further rise in the price because of a strike in the coal industry. The coal miners are not on strike, but no coal is being mined at the present time — same thing.

We wish to thank those who heeded our advice and placed their orders early. The bins that are now filled make that many fewer to fill during the coming winter.

Our supply of Anthracite is very small (no stove coal at all) — so until the miners get back to work we will be delivering only a ton at a time.

**GEORGETOWN UNITED CHURCH**

Morning worship in the Georgetown United Church was conducted on Sunday by Mr. William Gibb, minister of the Ballinafad Circuit. Mr. Gibb spoke on the subject: "The Life of Faith" and emphasized the necessity of living in trust and confidence even in these times of bewilderment, doubt and distress. The choir under the direction of Miss Lynda Stewart sang the anthem: "Gentle Holy Saviour" — Gounod, and Mr. A. Tost sang the solo: "With Thee Dear Lord" — Ehardt.

The evening message was entitled "What Can I Do?" Mr. Gibb emphasized the importance of each individual Christian fulfilling his responsibility in the sphere of activity and service open to him.

It was announced that Preparatory Service would be held on Friday evening at 8 o'clock and that the congregation would participate in the fellowship of the World Wide Communion on Sunday, October 2nd.

**DAYLIGHT SAVING TIME EXTENDED TO NOVEMBER 27**

To keep Georgetown's clocks in tune with those in Toronto, Daylight Saving Time will be observed here until November 27th. When daylight saving time was adopted here last spring, council's resolution read "for the same period of time as in Toronto." Action by Toronto city council in extending "fast" time would continue it here unless council took action to amend the original motion.
