

GRC NEWS

Georgetown's World Series is over and Lions Club are the new champions in Men's Softball. In three hectic games with Smith and Stone they finally managed to win two of the three. The first game Lions came from behind in the latter innings to win 11-8. On Friday only three innings were played and with the score 6-2 for Lions rain caused a postponement. On Monday the series ended when Lions won 9-8. The game on Monday was very keen and featured great relief pitching by Max Bradbury who went in for Holden in the 3rd, and Joe Stamp who took over from Bill Barry in the 5th with bases loaded and S & S threatening to take the lead. Smith & Stone — Leigh Bradbury, Job Hall, George Chaplin, Max Bradbury, Frideaux, Earl Walters, Glen Gibbs, John Holden, Kent Storey, Ernie Peters. Lions — Hal Gibson, Jim Sargent, Don Barringer, Len Self, Bill Barry, Jim Kirkwood, Spence McKinnon, E. Allen, Joe Stamp, Steamboat Emmerson.

Georgetown is very proud indeed of its bantam hardball team who made its two straight over Hamilton by winning 11-8 at Scott Park, Hamilton, a week ago Saturday. Little Orby Herrington pitched wonderful ball and the whole team played well. Jim Sargent is manager and coach. After the game, Lloyd Walters, a former Georgetown who now lives in Hamilton, treated the boys to pop and ice cream. Transportation to Hamilton was provided by the Lions.

In the town hardball league, Main St. routed the highly-touted John Street team 9-4. Then Glen-Norval Combines with Ken Schenk pitching beat Main St. 11-6 and 18-6 to win the championship for this year.

Eleven teams are in action playing 8-man soccer, five as midgits (12-15) and six as bantams (under 12). Game are played after school. Norval and the Glen are playing a

COUNCIL COMMENTS

(by the Bystander)
Council worked overtime last night according to Acting Mayor Jack, it was necessary to start the meeting at 7.30 to get through the business as several delegations were expected. They came. The Legion Delegation gave a very dignified and capable account of their viewpoints as regards the assessor, and we think both they and the Council see the whole matter in a somewhat clearer light. Bet there'll be more business for the Advertising Dept. of the Herald in future. Sure will save a lot of wear and tear on the Councilors. Hope this new Ratepayers Association gets going and continues to function — as one Councilor said "It is a much needed thing in Georgetown." Cr. Lyons (the 13 year man) will act as representative on the Credit Valley Authority meeting — Tom is well acquainted with the area — Contractor appeared in connection with the Building By-Law — that is one By-Law that has been of real value to the town — Nice of the Roxy to indicate a willingness to cooperate re parking. Mr. Cordaro — a regular visitor, got an OK "to cut down the old Maple tree" or at least part of it. Poor old Ernie still gets all the jobs shoved on his shoulders — he takes them all and grins. Noticed acting mayor Jack has started putting the Committee chairmen to work on their own duties — good idea — spreads responsibility around. If the Police establish a speed trap it will certainly slow down a good many "hot rod" drivers — permission not yet through — but perhaps very soon.

Canadian primary woollen workers are paid almost 70 per cent more in wages than British woollen workers.

THE GEORGETOWN UNITED CHURCH

Morning Worship was conducted in the Georgetown United Church by the minister Rev. John M. Smith. The lesson was read from Romans 12. Mr. Smith's message was centred in the thought of World Wide Communion and emphasis was made on the central fact of the Sacrament — the great love and self-giving of God in Christ — and the response of man in the surrendering of his life to God as a living sacrifice. The Sacrament of the Lord's Supper was celebrated following the meditation. The choir under the direction of Miss Lynda Stewart sang the anthem "Hear Us O Lord", Fray, set to Handel's "Largo."

Mr. and Mrs. W. A. McGowan and their daughter Miss Gwynneth McGowan were received into the full membership of the church by transfer of certificate from the Lucan United Church.

The evening message was entitled "Profiting by Fellowship" and the text was taken from Gal. 1:18. Miss Ruth Evans sang the solo "He Shall Lead His Flock Like a Shepherd." It was announced that Miss Hazel Solomon, dramatic coloured soprano of Toronto will present a concert in the church on Wednesday, Oct. 12th. The proceeds are to be used for the purchasing of material to aid in dividing the present Sunday School Hall into classrooms.
