

High School News

The night of the field day, Acton, Erin and Milton were invited to attend a dance at Teen Town Hall. Quite a goodly number turned out and a good time was had by everyone.

And now I bring you Chapter Two in the life of two-eye Tony, a tip snorting son of a poor rancher. Synopsis: Last week, Tony set his foot upon the threshold of the world to find his fortune, which was to pay for his mother's operation. Last week we left Tony tramping along the dusty road with his trusty dog and staff.

Chapter Two:
This week we find Tony tramping slowly along as of last week, but what fate awaits him round yonder bend. Listen and Murgatroyd's Meatballs will tell you.

The dusky evening of the southwest had settled as Tony rounded a turn in the road, suddenly he was confronted by a glaring neon sign, the Pig-Eye Saloon and Temperance Hall. Tony staggered in through the swinging doors into the dim and the glare.

Up to the bar he went, put his foot on the rail, And ordered his gin in a rusty pail. He downed his drink and was about to leave when the bartender said, Hey, Mack! howza about paying for the drink! Tony looked at him and said "Go to... the manager, I settle with him.

He pulled out his gun and looked at the trigger, But saw the right a gal with a figger, Why Molly, he said, what are you doing here? C'Mon over and I'll buy you a beer. Read this next week and see how Tony found true love and a million dollars.

Murgatroyd's Meatballs are so good Made with genuine Balso wood, Cook them slow, cook them fast, Eat one; It'll be your last.

Dance Club Midtown this Friday. Everybody welcome.

G.R.C. NEWS
Those interested in badminton are asked to meet at the armouries in the park Friday evening when it is hoped that enough will be present to form a men's, ladies' and young people's group.

Mrs. Leonard Bell is anxious to complete arrangement for the figure skating classes as it is planned to purchase skates and boots at club rates.

Girls' basketball is being played at the armouries Monday, Wednesday and Friday from 4 to 8. Teams are being organized in public and high schools. Any girls wishing to play who are not attending school may contact the recreational director, Rev. J. L. Self and one or two teams to play at definite times may be formed.

Boys' soccer is meeting with great success. The games are all played at the public school after four. Last week two tie games were played in the bantam league, Iroquois 0—Sloux 0 and Algonquins 2—Hurons 2. Glen Hurons beat the Norval Cres 1-0. Iroquois and Sloux have each won one and tied for four points. The other four teams all have 2 points each. Flyers blanked Rovers 2-0 and Norval Celts did the same to Glen. Thistles in the Midget league, Flyers and Celts have 4 points each, Rangers and Rovers 3, while the Thistles are still scoreless.
