

...well
practically unanimous

YOU CAN still find people who "don't believe in banks" ... who keep their cash in old coffee pots, or hide it in the woodpile, or carry it around.

But most folk nowadays keep their money in bank accounts. They can get it whenever they want it; and they can pay their bills by cheque. Canadians have more than seven million such deposit accounts. In terms of Canada's adult population, that makes it practically unanimous.

The banks, in turn, know they must earn this confidence by giving you the best service they know how.

Today you can take your account to any bank you choose. And what is in your bank book is strictly between you and your bank. It is your own private business.

Song Recital Was Greatly Appreciated

Georgetown people who appreciate fine music were treated to an evening of it last Wednesday at the United Church when Miss Hazel Solomon, ATCM, ARCT, coloured dramatic soprano, was heard in a program of sacred and secular music. She was capably accompanied at the piano by a local lady, Mrs. James F. Evans.

The concert was sponsored by the Sunday School and their share of the proceeds is to be used for the purchase of materials for the division of the present Sunday School hall into classrooms.

A native of Dresden, Ontario, Miss Solomon has had many years of study. At the age of nine, she began her musical career with lessons on the violin, following these with piano and organ. It was, however, for her voice of exceptional sweetness and brilliance that she was awarded a scholarship at the Toronto Conservatory of Music. She has appeared in recitals on both sides of the border and this week leaves for a tour of the Maritimes.

The first part of the program was composed of secular songs, including Stephen Foster's "Beautiful Dreamer", "Annie Laurie", "Still as the Night", "O Thou Biloway Harvest Field" by Rachmaninoff and "Kerry Dance." The second part of the recital was devoted to sacred numbers — "One Sweetly Sought Thought", "By the Waters of Babylon" and "I Will Extol Thee" from Costa's oratorio "Eli." Concluding numbers were negro spirituals arranged by Burleigh.

BRITISH PURE BRED BREEDING STOCK FOR HALTON FARM

Mr. and Mrs. E. L. Taylor of Kelmscott Farm, Milton, previously known as the Sprout farm; returned home from England last week. They have completed a tour of the leading English and Scottish herds of Yorkshire swine and have selected three young boars and seven gilts from the many hundreds inspected. One particularly interesting purchase is that of the litter-brother to two young boars selected by the Danish Government a few weeks ago for their livestock improvement programme. Another of the boars is the son of the Supreme Breed Champion at the Royal Show 1948; the litter brother of the grandsire fetching over \$2,000 in 1947. All the animals are from 'Championship' stock and they are being shipped to Canada at the end of the present month. Mr. Taylor is disposing of the whole of his grade Yorkshire stock within the next few weeks in preparations for the arrival of the British purchases.

THEATRE FIRE DRILL TAKES ONE MINUTE

In a fire drill at the Roxy Theatre during the Saturday afternoon matinee, more than 300 children and adults left the theatre in orderly fashion in less than one minute. The fire drill was held as a feature of Fire Prevention Week and manager Ernie Crawford says that he intends to continue the practice from time to time as a safety feature. Chief Harry Savings was present and spoke to the audience, giving them proper instruction in how to leave the theatre.

Britain's war with France in 1895 was partly paid for by a tax on bachelors.
