**DISTRICT GOVERNOR VISITS LIONS CLUB**

District Governor J. B. Farlow of Woodstock brought an interesting message on 'Friendship' to the Lions Club meeting last week at the McGibbon House. Mr. Farlow who is a native of Milton, first reminisced about his early days in Halton when he played hockey for the Milton team and games were played in an open air rink in the flats behind the Georgetown Feed Mill. In his talk, he stressed the fact that differences in matters of policy within a club should be forgotten once a decision is reached by a majority vote, and from that point on the club should present a solid front.

Mr. Farlow was later asked to present membership pins to two new members Vic Smith and Spence McKinnon.

**HIGH SCHOOL NEWS**

by Lamb

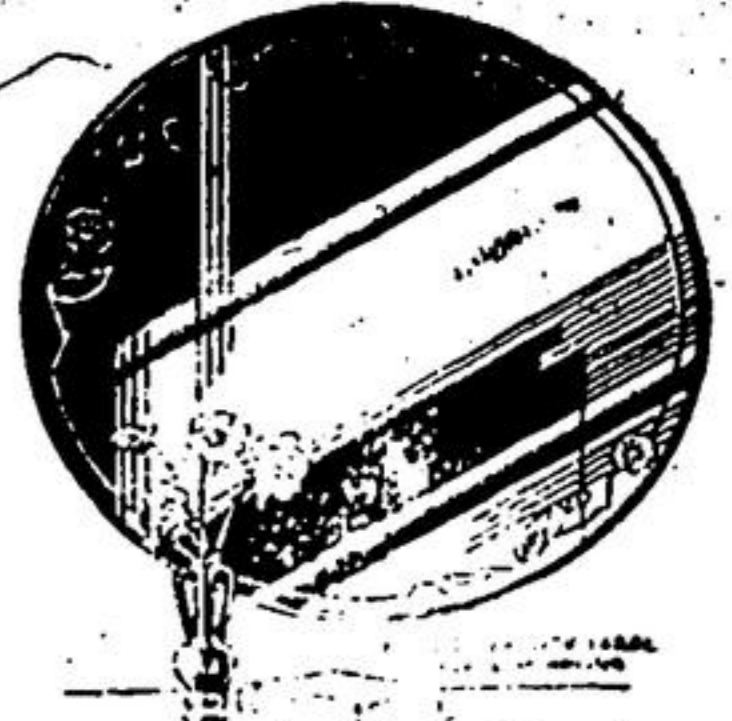

Last Tuesday GHS journeyed to Brampton for a rugby game and came out on the small end of a 19-5 score. In the first quarter, Thompson carried the ball for Georgetown's only touchdown, Denham's effort to convert failing. In the second, L. Caruso made a lovely 30 yard run for a Brampton touchdown. Brampton forged ahead with two major scores in the last quarter.

Flash!! Alliston eked a 26-25 win yesterday against the locals. Georgetown had a chance to tie the score in the last seconds of the game, but missed a convert. The Alliston team will play here next Wednesday in a return game.

Friday night the school had a dance in the Old Town Hall. Movies were shown and several skits presented.
