The SCREECH OWL'S name is a misnomer. He doesn't screech at all—the best he can do is a quavering whine, which doesn't sound at all savage! He lives on mice and grasshoppers for the most part, and nests in hollow trees, particularly in old orchards. He should always be protected.

Annual Halton Plowing Match Bigger and Better Than Ever Before

Favoured with ideal weather conditions, the annual Halton Plowing Match attracted well over 3000 spectators on Thursday of last week. Sixty-five contestants (42 with tractors and 23 with teams) were in action. Among the competitors were top plowmen from the counties of Peterborough, Victoria, Ontario, York, Peel, Wellington, Waterloo and Wentworth, who vied in friendly rivalry with 25 of Halton's best.

The Halton association had been most fortunate in locating a splendid site on the farm of James Russell, at Norval. Soil and sod could not have been excelled for the purpose, and some really outstanding ridges were turned.

A large display of farm machinery was staged by many local implement dealers and also by outside commercial firms. This is definitely a machinery age, and the spectators were keenly interested in many of the newer types of machinery on exhibit.

A new feature held in conjunction with the machinery demonstrations was a Junior Farmer Driving Contest, which attracted keen interest. Fifteen Halton Junior Farmers displayed their proficiency in piloting a tractor hauling a wagon through a rather complicated course, and finally backing up the wagon to an unloading chute. Harvey Nurse, of the Norval Junior Farmers, won first prize in this event, and thereby secured the award donated by the Woods Mfg. Co. Ltd.

Two hundred and sixty guests attended the Banquet held in the Norval Parish Hall the same evening, where the Norval Women's Institute received commendation from every side for the delicious repast which they had prepared and served.

C. F. Picket, president of the Halton Plowmen's Association, was the able chairman of the evening, where the main address was delivered by Dr. W. R. Reek, MBE, president of the Ontario Agricultural College. His sound, practical and down-to-earth address was a delight to his large audience. Others who spoke briefly included Warden Mrs. Mary Pettit, Stanley L. Hall, M.P.P., Sheriff W. J. Robertson, and the official judges of the day, namely Winfred Timbers, and George Hostrawser.

However, to come to the Plowing Match proper, Stanley May of Hornby, was Halton's best in the walking plow classes, and thereby won the ESO Champions Horse Plow Special, and also the Bank of Commerce Special.

In the Tractor class, Spencer Wilson, of Norval, was Halton's top mouldboard artist, winning the ESO Champions Tractor Plow Special.

In the Junior-class for boys under 18 years, Earl Price, of Milton, topped the list, winning the Bank of Nova Scotia Special, while his team mate at the International, namely John W. Picket, of Hornby, won the Tractor-class for Halton boys under 21.

Arnold Howden, a 12 year old from Trafalgar Township, won the Geo. E. Elliott Special for the youngest Halton plowboy, and R. T. Howard, of Nelson Township, won the Stirling & Dynes Special

for the best ridge by a Halton Plowman with Ford equipment.

The Salada Tea Co. Special, for the best ridge plowed with horses by a Halton County contestant under 20 years was won by Ernest May, of Hornby.

The T. Eaton Co. Special was won by John Readhead, of Nelson Township, and Harold Ferguson, of Nitasagawya Township won the Robt. Simpson Co. Special.

The Royal Bank silver tray was won by Wm. Grice, of Freeman, and the silver tray donated by the Bank of Toronto, Burlington, was won by John W. Picket. The silver tray donated by the Milton Milling Co., was won by Norman Tyndall, of Richmond Hill.

Legion Notes

by L. M. C.
COMRADES!! DON'T FORGET the Armistice Day Parade on Friday, November 11th. Medals and Brevets will be worn. The parade will form at the Legion Hall. This is ONE day every returned man should turn out to honour his dead comrades. Several organizations have expressed a desire to take part in the parade. Everyone is welcome. Letters have been sent to the industries of the town asking them to close from 10 till 1 so that employees may participate. Although the response to this has not been 100 per cent as yet it is hoped that it will be. After all, the sacrifice of two hours production is surely a mere trifle compared to the sacrifice of the lives of those we honour on November 11th.

Would like to congratulate the Executive on the way the regular monthly meeting was carried on last Thursday evening. The writer hasn't attended many in the last couple of years and was delightedly surprised at the amount of business, reports of committees, etc., disposed of before the meeting closed at 9.25. A fair number were on hand, but there are still many who should be there. Let's hope that everyone will attend now — when they only take a couple of hours of your time.

POPPY DAY on Saturday. Don't forget to buy a poppy and help carry on this great work.

BILL RONEY, the genial treasurer, says that in case any one has forgotten, he's always willing and able to accept their dues. He has a new posting system going into effect next month, where everyone

can see at a glance on the bulletin board, the amount of dues owing and the month due.

Inspectors from the Fire Marshal's office and also the L.C.B. recently inspected the Legion Hall and congratulated Branch 120 on what they termed the finest quarters of any service club in Ontario. Also gave caretaker Jim a pat on the back for the "spic an' span" appearance of the whole building. Nice going, Jim. They only found one small deficiency, which has since been remedied — not sufficient fire extinguishers.

A LITTLE BIRD says that by spring the remaining debt on the building (which is small) will be almost paid. . . And everyone will draw a long sigh of relief for a good job well done.

The dart boards and cribbage boards are taking quite a beating these days. The dart tournaments are a contributing factor in using up a couple of dart boards a month. However, this is a good pastime, and the money for the boards is well spent. Incidentally, the Branch has some near champions.

HOW ABOUT a hockey team representing the Branch being organized? This should go over in a big way.

THANKS-TO Tom Hewson for the radio he so kindly donated to the Branch. This was a definite need and is certainly getting used. Thanks a lot, Tom — from all the members.

The W.I. of the Branch entertained neighbouring Auxiliaries at
