

That's what I used to say, and it was true. Sometimes I'd dream of the day when I'd have time and leisure to do all the things I wanted to do, but I had to admit I wasn't doing anything about it except dream. I never seemed to be able to put anything aside. Now, I know those dreams will come true. They're guaranteed. Through a simple saving plan which, strangely enough, I've found involves no hardship, I am now saving money for the first time in my life.

The Plan?

Hockey's First!

The rules of the rink have changed greatly since hockey's first organized game... 74 years ago.

It was a March day in 1875. The indoor ice of Montreal's Victoria Skating Rink was a swirl of uniformed figures. Spectators who lined the rails were watching the first attempt to organize the increasingly popular game of hockey.

The teams had been reduced to nine men a side... each with a definite position to cover. Instead of the familiar rubber ball, a flat, round block of wood was being used. And for the first time, the goals were protected by goalenders. Regulation hockey had been born.

Hockey holds a proud tradition of sportsmanship for Canadians. And Canadian teamwork has made us world leaders in the game. Together, sportsmanship and teamwork are working for you... by keeping your opportunities for work and play in Canada... unlimited.

Some Halton Highlights at The Recent Royal Winter Fair

JERSEY SHOW: M. C. Beatty, prominent Jersey breeder of Trafalgar Township, won the Premier Breeder Award on the conclusion of the judging of the strong Jersey Show at the Royal Winter Fair. The official judge was O. C. Evans, of British Columbia. The premier breeder award is the most coveted honour of the Show and when one realizes that Lindale Jerseys owned by Mr. Beatty were in competition with some twenty of the top herds of Canada as well as several from the United States, one can appreciate the honor which has been won by Mr. Beatty and for the County of Halton. As indicated above, the Jersey breeders had a great show and the honours were fairly widely and evenly distributed. In addition to the above award Lindale Jerseys secured no less than five red ribbons — first on his two year old bull, Lindale Basil Xenia Lad; first on his senior yearling heifer in milk; first on his get of his senior herd sire, Brampton Basil Ward (this calls for four animals by one sire); first on "Graded Herd" (6 animals) and first on his progeny of Lindale X Xenia. Needless to add, the Beatty entries were strong contenders throughout as was also true of the entries of Featherstone Bros., also of Trafalgar Township. In the Senior heifer class which brought together 30 of Canada's tops, this latter herd has second and fifth prize winners and in the strong class for 3-yr.-old cows in milk — grand champion female at Milton and reserve grand at the Championship Show at Simcoe, namely Avonlea Record's Suzanna placed fifth. Suzanna, a daughter of the former world's long distance champion Jersey producer, Fairy Raleigh Zana, had herself just completed a three year old record with over 700 lbs. of butterfat. Halton may well be proud of the achievements of these three young men who in the past 12 to 15 years have built up two of the best herds on the continent.

GRAIN SHOW: In the white wheat class which brought together cop entries not only from Canada but also from the United States, W. E. Breckon, prominent farm leader of Nelson Township, had the top award. In the Inter-County Fifty Bushel Class open to three competitors from each County, Morley Sherwood of Freeman was second, and W. E. Breckon was fifth. The awards in this latter class were based not only on general appearance, but also on such factors as protein content, pearling, baking quality, etc. Messrs. Breckon and Sherwood are to be congratulated on these high honours won for the County of Halton at the greatest show of its kind in the world.

Inter-County Live Stock Judging: David Pelletterio of Nelson Township won the gold medal for the high score in dairy cattle in the inter-county live stock judging competition at the recent Royal, which brought together teams of 3 young men under 26 years of age from 37 counties and districts of Ontario. Dave had a score of 194 out of a possible 200 which would indicate that he not only knows his dairy cattle, but has the ability to explain why. Perth County won the Jeffrey Bull Memorial Trophy, with a combined score of 2652 out of a possible 3000. The Halton team composed of Don Holmes, Dave Pelletterio, and Fraser McNabb, placed tenth, with a score of 2542. This is an excellent showing and our heartfelt congratulations are extended to the young men in question who were worthy representatives of the County of Halton.

HALTON JUNIORS WIN DISTRICT COMPETITION

Halton Juniors, represented by Vera May of Hornby, and Stuart McFadden of Milton in public speaking, and the Palermo Juniors in the amateur entertainment, won top honours at the District 5 Competitions held at Waterdown High School last Friday evening. In Public Speaking, Stuart McFadden was awarded first place on his address entitled "Choosing a Vocation." The musical skit entitled "In a Kentucky Farmyard," written and directed by Geo. S. Atkins and presented by Palermo Juniors, was the highlight of an excellent evening's programme. The official judges were John Taylor, Head of the Department of English for the F. R. Close Technical School, Hamilton; L. E. Nelson of the Dundas High School; and Geo. E. Elliott, popular lawyer, of Milton. The members of Palermo's winning cast were as follows: Bill Vivian, "Happy"; Oates, Jean Paterson, Evelyn Pelletterio, Bruce Heatherington, Mildred Lucas, Dave Pelletterio, Ann Suthons, Jim Greer, and Audrey Wickson. The young people will now proceed to the Zone Contests to be held in Camilla United Church, near Orangeville, on Monday, December 5.

HALTON FARM FORUM

(by Lillian Collier Gray)

Reports have been received from the following forums: Bannockburn, Hornby, Kilbride, S.S. No. 4, Esqueping, A.S. No. 1, Nassagaweya, Zimmerman, Boyne, and Mt. Nemo. The topic "Rural Recreation" was introduced by a broadcast in the form of a drama which, judging from the comments, was very well liked in all quarters.

In answer to the question as to whether rural and urban people should get together more for recreation, Bannockburn says, "Getting together for recreational purposes should create a better feeling between town and country." Hornby points out, "Farming being the basic industry, rural and urban people should get together more in order that all may learn more of each others problems in everyday life. This could be accomplished by the promotion of rural and urban groups meeting with each other socially and exchanging viewpoints at the meetings. This arrangement would lead to a better economic understanding and help to clear up the present ignorance that exists between the two ways of life." Mt. Nemo thought, "It would also help financially, as money and services would not be duplicated."

As to what special recreational facilities were needed, the following things were mentioned: community centre, swimming pool, arena, community hall. Training in dramatics, crafts, sports, were also mentioned. And other recreation such as dancing, movies, card parties, baseball and hockey were not forgotten.

Trafalgar Farm Forum people made history this past week when they turned out fifty or sixty strong at the Trafalgar Council meeting to protest the voting set for Dec. 5th on raising \$25,000 for a new arena in Oakville. The result was that the bill has been repealed.

Recital Given by Young Norval Musicians

The Norval pupils of Kenneth R. Harrison appeared in recital on Friday evening in Norval United Church. Ruth Mason Lyons was guest soloist, singing two groups of numbers which included "Vela," "Carissima" and "Bless This House." Mr. Harrison also played the piano and Rev. Alex Cowan was chairman. After the recital the church ladies served refreshments. Those appearing in the recital were: Charlie Carney and Ralph Laidlaw, both of whom played the piano, and Aileen Harrop, John Wilson, Paddy Lucas, Sheila Carney and Mary White, vocals. Patsey and Mary Carney played and sang solos and duets. Aileen Harrop presented a bouquet of flowers to Mrs. Lyons as a token of appreciation for her assistance at the concert.
