BOY SCOUT NEWS

The Father and Son Night which had to be postponed last Wednesday will be held on Wednesday, Dec. 7th. The meeting starts at 7 o'clock. That may be early for the dads but come as soon as you can. Dads and lads will compete in games and stunts. Lunch will be served by the Ladies Auxiliary.

Patrol Leaders' Meeting was held at the home of P.L. Bob Simson on Thursday evening. It took some of us quite awhile to get 'uncrossed' and 'crossed' straightened out. If you want a good game for the family ask one of the P.L.'s for this scissors game.

The Bulldog Patrol under Second Bill Hancock won the Honour pennant for last week.

The Wolf Cubs missed Akela on Friday afternoon. The meeting was spent in the playing of group games.

The Ladies Auxiliary of the 1st Georgetown Boy Scout group met in the United Church S.S. Hall on Monday evening. This group of interested ladies is growing in numbers and spirit. We know that the Auxiliary will be a great boon to Scouting and Cubbing.

"God give us men: a time like this demands, great hearts, true faith and ready hands, Men whom the lust of office does not kill; Men whom the spoils of office cannot buy; Men who have honour, men who will not lie."
Jonah Gilbert Holland

COUNCIL COMMENTS

by Bystander
I had to send my 'private eye' to the Ratepayers meeting again. Seems they didn't have much success establishing a slate of candidates. . . people are funny . . . they won't attend meetings even when the meetings are in their own good interests. . . Council meeting was just routine this week. . . only 'guest' was town solicitor getting his real estate problems up at the Beckett subdivision straightened out. . . Georgetown is about to grow a bit in that area. . . That septic tank sure costs a lot of rent. . . Ernie's gonna move it. . . Scott Jackson seem to think they are entitled to interest. . . and Council don't think they are. . . Hagey and Co. are supposed to be final arbiters in case. . . Ratepayer wrote regarding mill disposal of waste. . . and rightly so. . . he has been long suffering in this regard. . . also the nearby home owners Board of Education asked for police coverage at Guelph and Water streets for school kids. . . Police chairman promised prompt action. . . gotta protect the young fry from speeding motorists, etc. . . O'Neill block is to pay for water use same as the rest of us. . . Maple Avenue correspondent was back again. . . taxes and assessments. . . Normandy Blvd. is to have that gravel path lighted completely. . . wolves won't be howling there any more. . . Ernie doesn't dig all the ditches but. . . he sure has a rough time keeping them either tiled, cleaned or filled. . . The pole on Mill Street is finally getting moved. . . so says Public Works Committee. . . its removal will ease Main Street congestion. . . Water meter program is making good progress. . . also the pumping station. . . bricklayers are busy there. . . Shouldn't be too long now before the Milton-Cheltenham bus service is in operation. . . according to the mayor and councillor. . . Tely reporter was on hand. . . no startling discussions for his paper though. . . Nomination this week. . . let's all get out to it and show some interest.
