

Mrs. Smith goes shopping

... and a dozen eggs, grade 'A' large... that's all, thanks."

Mrs. SMITH's shopping trip might have taken an hour. Actually, it took three minutes—by telephone.

To housewives in a hurry, the telephone means a lot. It's like having an extra pair of hands to help out—an extra pair of feet to run errands, or get help in emergencies. Any way you look at it, your telephone is big value.

No wonder more people are using more telephones—and that requests for service are at an all-time high. We should like to be able to provide service for all who want it, when and where they want it. We will continue to do all we can to reach that goal.

Legion Notes

by L.M.C.
BILL RONEY was giving us a bit of information about the annual Christmas tree "do" for the kids the other day. Says if memory is correct, that there are 400-odd kids to receive presents from Old St. Nick this year. That "sideline" of Bill's, and we believe the job best liked by him, has certainly developed into quite a chore. Imagine trying to procure presents for that number of kids, along with getting an ample supply of fruit and candy! Queer things turn up regarding the arrangements, too! Last year, at the last minute two Santa's arrived ready to take over!!! Seemed that Bill had arranged for one a number of weeks before, but, due to the pressure of work, he had not confirmed that he could be on hand for sure and, as the date kept getting closer, the treasurer got a bit worried and "dug up" another one. That night, blissfully unaware of all the fuss Santa No. 1 arrives, to find to his astonishment, another Santa dispensing gifts to the children.

REMEMBER, ALL tickets for the Christmas Draw must be in by Saturday! There are still a lot of these outstanding and should be returned as soon as possible. The sale of tickets has been fair, and it is hoped that this week will put the draw over the top successfully. The revenue from this goes toward decorating Christmas tree expenses.

LAST SATURDAY a number of members from here journeyed by bus to Toronto to pay a visit to the Sir Arthur Currie Branch of the Canadian Legion. About 30 went and everyone reported a good time. Of course the dart enthusiasts were pleased and got some good scores. However, as they were reported by themselves, we'll take that with a grain of salt! Seriously, tho,

ing of comradeship, which is only a very nice afternoon and evening was spent by members attending, and their wives. The two Branches have been doing considerable visiting back and forth, and seem to have developed a very keen feeling as it should be, and could be practised by a greater number of the nearby branches.

WOULD BE A fine thing if this and other members of our Zone could get together and work out a plan to have an annual visit to each and every one of the Branches in the Zone. This doesn't sound like very much but stop and figure out the number in the district and it would really develop into quite a full program... and make a lot of new friends as well as renewing old acquaintances! We were happy to see Acton and Georgetown taking a lead in this sort of fraternal visit (and glad to see these two Legion branches getting along, even if the two towns can't, in hockey season, anyway!)

DAUGHTERS OF ST. GEORGE'S HOLD ANNUAL CHRISTMAS PARTY

Monday evening, December 5th, Mrs. Fred Armstrong Sr., entertained the Daughters of the Church at a gay Christmas party. Archdeacon and Mrs. W. G. O. Thompson were guests of honour and the Archdeacon complimented the ladies on the splendid work of this year. Court whist and cribbage were played, winners being Mrs. Ted Stigger and Mrs. Thomas Easton. Archdeacon Thompson made a jolly Santa Claus and distributed gifts from the tree to each member and guest.

Mrs. Fred Armstrong Jr., the new president, presented a tray to Mrs. Cecil Davidson in appreciation of her leadership this year. Assisting the hostess in serving supper were Mrs. Frank Benner, Mrs. Ted Stigger, Miss Bessie White, Mrs. Frank Sykes, Mrs. Edwin Wilson, Mrs. Grover Norton, Mrs. Thomas Perry and Mrs. Charles Renwick. The evening ended with the singing of carols, Mrs. Thompson at the piano.

BALLINAFAD

(last week)
Mrs. Frank Smith is spending a few days with friends in St. Catharines.

The W.A. held quite a successful turkey supper on Wednesday evening. About three hundred people enjoyed the excellent repast. This was followed by a short program consisting of several numbers by the Hillsburgh Quartette, solos by Mr. Alex McDougall of Hillsburgh and Mrs. Jas. Gillespie, elocutionist of Erin.

Several hockey fans of this community motored to Guelph Friday night to see the Guelph-Oshawa game. Our own local team has been fitted out with new sweaters and socks and are waiting patiently for some ice to try them out on.

Don't let a Cold mar your Holiday Season

DECEMBER is here and with it lurks the "common cold"! Ontario citizens are reminded now of a few simple helpful rules to safeguard their health, and that of others.

Prevention of the common cold is the responsibility of all, and if everyone plays his part much unnecessary illness, expense and discomfort may be avoided. With the holiday season looming ahead, when so much happiness depends on everyone feeling fit, why run the risk of "catching cold"—or letting members of your family face that danger?

In the interest of parents and families, the Ontario Department of Health recommends every Ontario citizen to study the common sense precautions suggested below and act upon them.

Five Simple Precautions

1. Take plenty of rest. Avoid becoming unduly tired. Endeavour to follow a well-balanced diet.
2. Avoid becoming wet, chilled or overheated. If clothing becomes wet, it should be changed as quickly as possible.
3. If a cold overtakes you, go to bed until it improves. If it does not clear up rapidly, do not hesitate to seek medical advice.
4. Be thoughtful of others. If suffering from a cold, do not spread germs by coughing or sneezing openly.
5. Avoid crowds as far as possible.

No one wants to be "laid up" with a cold... especially at this holiday time of year. By following these five common-sense precautions you can help yourself and others enjoy a happy, healthy holiday... free from the seasonal misery of the "common cold".

Boxing's best!

When champion and challenger met for the century's most skillful exhibition!

The Canadian Amateur Boxing Championships were held this year in Port Arthur, Ont., to determine the boxer who would represent Canada at the British Empire Games in New Zealand next February.

Toronto's old Adelaide Street rink blazed with light. Fresh sawdust littered the smooth floor. A crowd of sports mingled round the ring while the Lieutenant Governor and his party watched from their box. It was a February night in 1885... and the century's biggest event in Canadian boxing. The world-famous Champion of England, Charlie Mitchell, was to meet John F. Scholes, the local challenger.

In the opening rounds, Scholes smashed Mitchell with a surprise barrage of punches. Wary, Mitchell backed off. The haze of cigar smoke thickened as the rounds went on. Suddenly Mitchell came off the ropes with a hard blow. Scholes went down, only for a moment... but the fight had been decided. Mitchell won the bout... 35-26.

Good sportsmanship has won many world friends for Canada... just as the spirit of working together has made us one of the world's great nations. These two—sportsmanship and enterprise—keep your opportunities for work and play in Canada—unlimited.
