NO RECOUNT

No recount will be asked in Ward three by the candidates who ran third and fourth in the election for council. The first four candidates were closely grouped and Roy Magloughlin and Tom Sykes were considering asking for a recount last week but have decided not to.

MACKENZIE NEWS

Dear Santa:
I notice that you seem mostly to get letters asking you not to forget some children. Now I don't want you to leave out any children, but if you could find the time I wonder if you could remember some adults, too, especially —

The ministers of our churches and members of our choirs who put in extra time preparing special Christmas services.

The officers and committee members of our clubs, who put such thought and effort into making our Christmas social times the best parties of the year.

The Post Office and Bell Telephone staffs who have to work like chained lightning and try to be cheerful about it.

Bill the expressman, and all our delivery men who make sure we get our coal, groceries and presents before "the night before."

The storekeepers and clerks who work much longer hours and have to stand around and wait on us while we swither around between a red and blue article.

The farmer and his wife who produce the best turkey or goose we have ever had, and deliver it all picked, at our door.

All who have contributed in producing both the small things and the large things that help us have a perfect Christmas Day.
"A Wellwisher."
