**BOY SCOUT NEWS**  
 A good load of leaders and committeemen attended a Scout's meeting held in Oakville on Thursday evening when they heard a message by Mr. H. B. Mordock, editor of the Scout Leader.

The next Halton Scouters Meeting is to be held in Georgetown on February 17th.

A number of Scouts and Wolf Cubs joined with the CGIT and Explorers in attending the Church Service at St. John's United Church on Sunday evening.

A goodly number of Wolf Cubs were successful in passing their knot-tests last Friday.

Group identification badges are available now for all Tenderfoot Scouts and Tenderfoot Cubs.

P.L. Jim Buck and his patrol won the Honour Pennant last week.

Boy Scouts and Cubs are urged to secure their Hockey tickets as soon as possible. The date of game is January 23th.

**STONE SCHOOL FARM FORUM**

The Farm Forum folks always look forward to their visits at the home of Mrs. Annie Stull on the 8th Line, and at the first meeting of the year on Monday the 9th, Mrs. Stull once more extended her hospitality and had open house.

The discussion period proved to be really lively on the subjects of supply and demand, Government subsidies, ceilings, floors and all kinds of prices entered into it.

The Forum took a special collection which was forwarded to the Hospital for Sick Children fund in Toronto.

After the discussion and business period, a pleasant hour was spent at euchre, the winners being Mrs. G. Burt and Mr. R. Corbett, and consolations going to Mrs. H. Marchington and Mr. K. Brunger. The evening ended with a delightful lunch being served by the Social committee, Mrs. Annie Stull, Mrs. Harold Campbell and Mrs. Horace Bell.

**SLIDING ALONG THE BOARDS**  
 by Diner

Talk about the NHL, the American Hockey League or Ravina Gardens, but brother you ain't seen nothing until you drop in at the arena Monday nights. There you have old semi pros and intermediates along with up-and-coming young men and there's real hockey for you. You'll see the old style combined with the new style and even some other style thrown in with these games. It's a wonder Smythe doesn't send out a scout one of these nights. Some of the boys think an all star team from the industrial league might give the intermediates a run for their money. From where we sit we wouldn't put our money on the Raiders for goals and on the All-Stars for penalties - that is, if the referees were neutral.

After Monday's games, Businessmen and Alliance are still tied with 11 points, Norval has 10, Meadowglen 8 and Smith and Stone 7 and Provincial still trails by one.

Getting back to the Raiders, last week they played twice with Oakville who won the first 5-4, while Georgetown took the second 5-3. We were talking to Spud Patterson the other day and find he made a New Year's resolution to play better hockey. Watching these games we find he meant it as he has improved two-fold. Keep it up Spud and you might even break into the industrial league.

Seriously though, the whole team is improving with each game played. We were glad to see Del Beaumont out there at centre ice the other night as he really cut loose.

The Raiders have a tough game Friday when they play Milton with whom they are tied for second place. Wednesday's game with Dixie should be good, as Dixie have improved tremendously since their last appearance here.

Here is the standing as of Monday:

	W	L	T	Pts.
Weston	10	3	3	20
Georgetown	8	4	3	18
Milton	8	3	1	18
Oakville	8	7	2	18
Brampton	2	7	4	4
Dixie	1	11	2	2

Angler's note: Fish are generally slow-biting.
