Legion Notes

IN LAST WEEK'S account of the W.L. election of officers, we managed to get things badly twisted, as regards who was elected. We apologize to the ladies and here are the corrections (we hope). 2nd vice president elected was Mrs. Jack Tost; Secretary, Mrs. Robert Lockhurst; and Sick Convener, Mrs. Fred Bralsky.

THE DART TOURNAMENT, as reported in the Herald last week, came to an end, with Gerry McCullup and his "A" team winning. The team were runners-up. We can see a further tournament looming in the near future, after this very successful one. Maybe the Dart players could go a little further, and organize into a regular Dart Club. Elect officers, etc. and start a fund for further inter-club competitions, etc.

(Incidentally, Gerry, we hear that the challenges are pouring in.)

THURSDAY NIGHT saw a pretty fair crowd on hand for the regular meeting. A lot of business was transacted. President Dave Bowman in the chair.

THE BOARD OF TRUSTEES finally came through with that report, and it was a good one, too. It traced the history of the remodeling of the building, from its inception until its completion. The report is not only a complex one, but a valuable historical link in the history of Branch 120, and we would like to see it printed and a copy given to every member. Certainly any member who did not attend the meeting, should be interested. Quite frankly, the amount of money spent, and the relatively short time it has taken to clear the debt is amazing. In another three months the building should be completely free of debt—the amount left being very small.

AND TO THE POOL sharks in the Branch come glad tidings! A pool table has finally been purchased, and it is hoped soon to see it in operation. This we believe to be a very forward step in turning the Hall into what it should be, a recreational centre for its members.

THE MEETING DECIDED to have a Trial Committee, to deal with any infringement on the rules—and it was decided to have this committee composed of members of the Executive. Hope that it will not be necessary for this body to meet too often, but at any rate, it will be there if the case arises that it is needed.

AND NOW FOR WHAT we consider the biggest news! Branch 120 finally decided to lay tentative plans to organize a Brass Band. The matter was talked over at length, and the pros and cons of the various types of band were discussed. The meeting rather inclined toward a pipe band, for what were obvious reasons. It was felt that a bugle band in many cases would be of no value for any occasion but a parade, and even then is limited in the range it can play. A brass band would have many advantages, but has one big disadvantage of needing a large number of musicians, coupled with the fact that musicians in a large part would possibly belong to the local brass band, and this would no doubt lead to conflicting engagements, etc. So it seems maybe that a pipe band would be the answer. We know that the Scottish members are certainly keen on it (right, Dave?) and see no reason why it could not be brought about.

For the writer's own part, we are inclined to agree that a pipe band is what the doctor ordered. We think all the members enjoy hearing the pipes, and especially marching to them. The initial cost might be fairly expensive, but an arrangement might be worked out that the expense could be borne partially by the individual and partly by the branch. For instance, while the drums are necessarily considered band property, we cannot imagine anyone interested in learning to play the bagpipes, not wanting to own his own set. The uniforms, could possibly be paid for by the Branch, who would get them at a probable discount by ordering in the quantity necessary to equip a full band.

WHILE TALKING OF BANDS, we might mention a bugle has been offered for use when needed.

THE PRESIDENT AND THE SECRETARY seemed to be having a bit of trouble the other night at the meeting with those periods. Seems Dave must have been doing a bit of wishful thinking when he started talking in the "thousands" that turned out to be "hundreds."

What is forbearance but the spirit of tolerance shown when a man who knows patiently listens to a man who doesn't?

"Dear Teacher, you must not whack my Tommy, he is a delicate child and he isn't used to it. We never hit him at home except in self defence."

BOY SCOUT NEWS

The Ladies Auxiliary of the 1st Georgetown Boy Scout Group held a successful bake sale on Saturday. As a result of the willing cooperation of the mothers and friends of Cubs and Scouts in donating baking, and those who made purchases the Auxiliary was able to add \$45 to their funds. Thanks one and all for helping the mothers help the boys.

18 Scouts, Cubs, parents or sponsors, attended the Maple Leaf-Ranger hockey game at Maple Leaf Gardens on Wednesday, January 25th. Judging from the comments of lads and dads it was a trip worthwhile.

The Wolf Cub Pack which now has a strength of well over 50 members is being divided. The Cubs who are in the Leaping Wolf Sixes will meet on Thursday afternoon at 7 o'clock from now on. All other Cubs unless notified by Akela will meet at 4 o'clock on Friday—the usual meeting.

A Scout and Cub Service is to be held on Sunday, February 19th at 3 o'clock. Parents are respectfully requested to keep the date and hour free for the occasion.

A meeting of the Scout Committee was held last Thursday. New officers for the year are President R. Hardman; Secretary-Treas., Vernon McCumber. Other members are A. Prouse, E. Simson, E. Forgrave, C. Stacey, (honorary member) and Rev. J. M. Smith (hon. president).

Wolf Cubs, Scouts and leaders are now insured against accident or sickness, requiring medical attention while engaged in Troop or Pack activities. Parents desiring further information may receive it from the leaders or the Secretary-Treasurer of the Group Committee Vern McCumber.

A film depicting the Boy Scout jamboree held at Ottawa last summer is to be shown in the St. John's Assembly Hall on Friday, Feb. 10. Keep the date in mind. Time 7:30 - 9:00 p.m.
