

School Board Awaits Decision on New School

Awaiting a reply from the town council after presenting a brief in which they outlined the necessity for a new public school in Georgetown to take care of increasing enrollment, the public school board at its meeting last Wednesday deferred any further discussion on the problem. On the previous Monday the board had attended the council meeting and chairman Edwin Wilson had presented a brief indicating the need for an extra 400 rooms by 1954. A survey made last fall indicates an increase in enrollment of 180 by that time and present accommodation at the school is overcrowded. While council has

made no decision on the matter, Mayor Cleve and Reeve Marshall have expressed themselves as favouring a vote of the people before any expenditure is made. The salary schedule was reviewed at the meeting and some revisions made. November 1st was set as the deadline for admission of pupils to the kindergarten-primary class, and only children whose fifth birthday occurs before this date will be admitted to the class. Standing committees for the year were appointed, first named on each committee being chairman. These are: Finance — Stoy Flahay, Cecil McNamara; Property and Supply — Ross, Duncan, Harry Shortall; School — Ray, Salter, Stan Flahay, Ross, Duncan.

BACON SHOW TO BE HELD AT MILTON

The sixth annual Bacon Show is to be held in conjunction with the Annual Seed Fair in the Milton Town Hall on Saturday, March 18. As in the past two years, five hogs and two sows will be selected from each Township by the directors of the Halton Hog Producers' Association. All hogs entered must be marketed at Canada Packers on one of the following three dates: March 6, 7 and 8. Entries close on Wednesday, March 1st. Those who will have hogs to market around the dates mentioned above should contact one of the following: Esquesing — T. J. Brownridge, Cedric Hartop, Robert Milley, and Bruce Reid; Nassagaweya — Ed. Daveport, Lindsay Ferguson, Ivan Richardson, A. R. Service; Nelson — Glen Campbell, Fred Dixon, Roy Ellenton, Erwin Gunby; Trafalgar — Allan Clements, Allan Dixon, Clayton May, Percy Merry.

As in former years, the hogs will be processed into Wiltshires and at the Bacon Show one Wiltshire from each hog processed will be on display and also a cross section of the other side, which will indicate the quality of loin and belly. In addition to receiving top market price on the hogs selected, the Dominion Department of Agriculture will award the following prizes:

- \$5.00 for each carcass classified as first quality; \$4.00 for each carcass classified as second quality; \$2.00 for each carcass classified as third quality; \$1.00 for each carcass classified as fourth quality.

The Halton Hog Producers' Association will also award cash Specials to producers of all hogs making first quality Wiltshires.

Townships having the 1st and second prize groups will also receive special cash awards from the Dominion Department of Agriculture.

The year's only one promotion will be a special from each farm to a processor and the hogs, all of which will be ready for the market by the end of the month.

LIVE STOCK OFFICIAL PREDICTS \$16.44 HOGS NEXT AUGUST

All hog producers are aware that \$32.50 is the floor price set for Wiltshires at seaboard until the 60 million pound contract with Great Britain is filled. It has been suggested that this contract may be filled around July 1st. However, at the present time, the bulk of our hogs being marketed are required for the domestic trade. In so far as we can determine no one, and we have contacted both processors and government livestock officials, is prepared to state definitely what will happen after the completion of the British contract. Yesterday, we ran across one livestock official who recently offered to wager \$5 that hogs would sell at \$30 dressed weight in August. Unfortunately there is nothing definite about the situation, but it was at least encouraging to encounter someone who should know something about the situation who had an optimistic picture for the coming summer at least. It is our understanding that a price of \$32.50 for Wiltshires at seaboard is the equivalent of between \$25.50 and \$28.00 for dressed weight in Toronto.

Bants, Midgets Beat Hespeler Play Elmira Saturday

Georgetown midget and bantam hockey teams had an easy time last week ousting Hespeler from the O.M.H.A. playoffs. The bantam all-stars won on Hespeler home ice 5-2 Thursday and Saturday afternoon blanked the visitors 5-0 in Georgetown. The midgets, playing the same nights, also won by big scores, 5-0 and 10-1. This week the teams are paired up with Elmira and another double header will be played in Georgetown Arena on Saturday afternoon.

TRAFALGAR MEMORIAL COMM. MEETING OFFICIALLY OPENED

The new Memorial Community Hall at Trafalgar was formally opened last night. The dedication ceremony of this splendid hall was held in a capacity long before the hall itself for the program to commence. It is estimated that 700 caterers were in attendance. It was indeed a fitting ceremony and program for the occasion and the members of the Committee in charge are to be congratulated not only on the excellent manner in which the event was handled, but also on the efficient manner in which the event was handled. Reeves W. H. Biggar and his committee had left no stones unturned to make the evening's programme a success, and they succeeded with flying colours.

Rev. Gordon Porter of Avenue Road, United Church, Toronto, conducted the dedication ceremony. The names of all men from Trafalgar Township having served in both World War I and World War 2 were read and a minute's silence observed.

Dr. W. J. Johnston of Eglinton United Church, Toronto, who was the guest speaker of the evening, took as his subject "The House that Jack built." We are not going to attempt to reproduce any part of his message but we can state without fear of contradiction that it was a fitting message worthy of the occasion and also of the outstanding speaker that he is.

Some delightful numbers were presented by the Oakville-Trafalgar High School Choir under the leadership of Mr. Brierley. In brief, their numbers were delightful and in the opinion of Dr. Johnston the equal of anything which the City of Toronto can produce. Trafalgar and Oakville may well be proud of this group of young people.

The Palermo Juniors also delighted the audience with their skit entitled "In A Kentucky Farmyard." This is a musical skit written and directed by Geo. S. Atkins of Palermo Juniors, and which won Provincial Honours for Halton Juniors last month at the King Edward Hotel in Toronto on the occasion of the Junior Farmers Convention.

Others who spoke briefly on this excellent programme which was ably presided over by Reeve Biggar included Stanley L. Hall, M.P.P. and Warden Yunsiekle. At the conclusion of the program lunch was served and when we left around midnight the huge throng were enjoying a dance to music provided by one of Toronto's good orchestras.
