SLIDING ALONG THE BOARDS

by Dick

Last week saw both the intermediate and junior Raiders play their last games before entering the playoffs this week. From now on they will have to pull up their pants and play for keeps.

The Raiders kept in condition last week with an exhibition game against Woodbridge, who are also entered in the intermediate "B" class. Our boys packed a double whammy and beat them 15-5. Conny Smythe has his boys fly high just at the right time and it looks as if Georgetown is following their example for they are really in high gear now.

What happened to Simcoe? The game scheduled for Saturday was called off and if you want to know the reason better ask goalie Freddie Lawrence, as he was home for the week-end. It's rumoured that Simcoe has a heavy injury list from a previous game. What do you think?

Getting back to Georgetown after that quick trip to Simcoe, we find we have a really strong aggregation ready to head for another intermediate B championship. In goal, Freddy Lawrence and Clem Dwyer are two of the best. At the blue line, ready to bowl them over are such stalwarts as Kenny Nash; that rushing-defenceman; Sooty Patterson who can stop the best of them; Leigh Bradbury, the penalty killing boy; along with a newcomer, Johnny Haines, who is doing great work.

Up front we find a combination of goal getters in Jack Kemahead at centre, hard skating Junior Beaumont on left wing and that tricky stick handler, Midget Max Bradbury. As soon as these three are tired, the flying horsemen take over—Del Beaumont, hard hitting centre, Nick Ferr, who can trip the light fantastic around any defence and Harvey "Tanglefoot" Chappel. More strength is supplied by Rene Martin, skating fast and furious at centre, and newcomers Spike Scott, Cliff Norton and Mel Beaumont. Last but not least, there is coach Kenny Braithwaite, who sparks them on to victory.

We shouldn't have too much trouble ending things with Dixie this Friday when they meet Raiders here for the second game. But don't take it for granted, for Dixie have a lot of punch, in spite of missing in earlier position in the league.

What's the matter with Acton? After a many years at the top they are trailing in the northern league and last week were beaten by Grandville to end all hopes of a play-off berth. Walkerton is the big threat in this group.

Juniors ended their schedule last week by losing a hard fought game to Acton 3-2. Their playoffs start this Tuesday with the second game Thursday.

FATHERS ENTERTAINED BY NORVAL SCOUTS

The 1st Norval Troop and Pack held their annual Father and Son Banquet on Thursday, February 9th, in St. Paul's Parish Hall. Mr. W. Nunn from Scout Headquarters in Toronto was the guest speaker for the evening and took as his topic "Scouting as a Way of Life", illustrating his remarks with anecdotes from the life of Chief Scout Baden-Powell, following which Scouter Frank Mason of Inglewood showed his own movies of Scout activities in the district. In these pictures were included shots of the 1st Norval Troop at the South Peel Jamboree held at Streetsville during the past summer and also views of the local Pack taken at the Sport Day held at Rosalea Park in Brampton. Commissioner Percy Oke of Port Credit also a guest at the Banquet, complimented the local Troop on the fine showing they had made at the Jamboree, mentioning the fact that three of the Scouts, Julian Reed, Paul Priske, and Don Jarvie had won the majority of the prize ribbons available and that the troop had placed second for the best Campers' Shield.

Mr. E. C. Reed acted as chairman for the evening, with Rev. Alex Cowan giving the blessing; and among those proposing the toasts were Peter Pomeroy, Senior Sixer, Ronnie McLean, Black Second and Kenny Richardson and Ross Cunningham from the Troop. Mr. E. C. Reed proposed the toast to the Scout movement and Mr. Ray Pomeroy replied to the toast to the Fathers. The speaker Mr. Nunn Collis of the 1st Brampton Pack. Other visitors included Mr. Collis.

SPORTSMANSHIP IN "CANADA UNLIMITED"

Badminton makes it's bow!

How Badminton became one of Canada's first-rank sports!

1930 . . . Badminton players across Canada were training hard. Five years earlier an English team had come to teach Canadians the game's fine points. Now another group of Britain's top amateurs were making a tournament tour of the nation's clubs to see how the game had caught on.

Canadians had been keen learners . . . and the visitors found themselves evenly matched. The final decision was to come from the Canadian champion. In successive games at Toronto, Kingston and Montreal he defeated Britain's four leading players . . . Canada had won a top place in the badminton world.

Badminton grows daily in popularity with Canadians. Keen competition and good sportsmanship have made it a favourite everywhere. And together, competition and sportsmanship make things better for Canadians in work and play. They keep your future in Canada . . . unlimited.

The Canadian Open Badminton Championships will be held this year in Calgary during March.
