## Chatting

By M.H.B.

**THE BIG EXCITEMENT** in the youngsters' lives last week, was of course, St. Valentine's Day. Well over a week was spent in our household, preparing for it, and we know that the same buzz of anticipation and industry took place in every home where there are children. Were you as amazed as we were, tho, to read in last week's Public School News that over six thousand valentines were distributed in the school on February 14th. One of life's little tragedies struck our "second grader" when she came home crying on that erstwhile happy day, soaked with the freezing rain, and wailing that she had lost all the valentines she had been given, as well as the teacher's valentine candy treats. And most of the valentines hadn't even been opened. Nothing anyone could do about it, either, on the foulest day of the winter, to date.

**SPEAKING OF** valentines reminds us of the IODE Valentine—Dance, and that in turn reminds us to offer best wishes to Miss Olivia Durnford, who received a beautiful diamond engagement ring from fiancé Murray Dettor, just before they attended the Valentine Dance. Murray is the son of Dr. and Mrs. C. Dettor of Antioch. No definite date set for the wedding bells as yet. Olivia is a member of the Smith and Stone Ltd. office staff, is also the Executive Drum Major in the Georgetown Girls Pipe Band, and she also leads the Cedarvale School Girls in a G.I.T. class.

**OLIVIA'S** sister, Mrs. James Alcorn, is planning to take a trip to England on the 12th of April. The Alcorns' children, Ricky and Douglas, will accompany their mother, and they plan to visit in England for four months. Prior to sailing on the Empress of France from Halifax, Mrs. Alcorn and sons will visit her sister, Mrs. J. R. Nicholson in New Glasgow, N.S., and her aunt, Mrs. George Muerac, in Dartmouth, N.S. While in England the Alcorns will visit in London, Portsmouth, Surrey and Devon. Mrs. Alcorn is a native of England, so we'll take her word for it when she tells us that she will be arriving there at the nicest time of the year — just as the poet tells us "O, to be in England, now that April's here!" Mrs. Alcorn's husband is the accountant at the local branch of the Bank of Commerce.

**SAILING TO ENGLAND** a little later in the month of April — the 22nd, to be exact, are Mr. and Mrs. Charles Chapman, Main Street South. Mr. and Mrs. Chapman, who have been in the here in Georgetown ever since coming here from England twenty-one years ago, plan to stay in England and visit their home town. The boys, sold their home in their next-door neighbor, Mr. Chapman's home in town has been sold for \$10,000. Mr. and Mrs. Chapman will be sailing on the "Suncraft" from Quebec City. Mr. Chapman tells us his husband always has a little business in England and while it is a bit of a deal of interest and all, they find it is worth the trouble. They are going to stay in their new home. The Chapmans are fortunate to be in an apartment all right, to move into their apartment at Plymouth, England, in the upper part of a new house just purchased by Mr. Chapman's sister and her husband.

**February** seems to be a month when people yearn for a change. I don't know when we've heard of so many people planning trips. This week, Mr. and Mrs. Ross Duncan and Mr. and Mrs. Jack Gunning are in New York City. Mr. and Mrs. K. M. Langdon are planning a motor trip to California very soon. Mr. and Mrs. W. C. Reynolds are driving to Florida March 3rd. Friends from Toronto will accompany them. Mr. and Mrs. Wilbert Cleave are en route to Florida on a motor trip. Stan Finlay is in New York this week attending the same convention as Messrs. Duncan and Gunning.

**HAD THE OPPORTUNITY** to glimpse the Toronto Gift Show held in the King Edward Hotel last week. What a huge affair it was — rooms on two floors taken up with the display of every imaginable kind of gift shop merchandise — lamps, china, toys, jewellery. With all the stops

out on manufacturing since the war, the business is really hitting its stride. Must be very difficult to buy merchandise for a gift shop from so many gorgeous displays.

**While in Toronto** that same day noticed a car parked by the curb with a deep red license plate and white numbers. Turned out to be a Newfoundland license — the first we've seen.

**Provincial Constable** Stan Grabb has been fortunate enough to rent a house in Essex, where he is stationed, and his wife and children, Doris and Jimmy, moved from their Main Street apartment last Tuesday. Sorry indeed to see them leave. Mrs. Grabb has been a very active member of the Council of Strathmore Chapter, IODE. The Regent, Mrs. Wallace Thompson, presented Mrs. Grabb with a gift and expressed the regrets of the Chapter at losing such a valuable member.

**Mr. and Mrs. William Cummins** have moved into Mrs. Florence Curtis' apartment, on King Street.

**JUST LEARNED THAT** Mr. Robert Bagent, proprietor of "Bob's Ice", has been appointed Field Representative for the Ontario Milk Distributors' Association. Before coming to Georgetown, Bob was Executive Secretary of two sections of the Retail Merchants' Association of Canada, and during the war was a Wireless Airman in the RCAF. While in Georgetown he boarded at the home of Mrs. A. M. Balkantine, Albert Street. Mr. Clarence Carey is carrying on the ice business for Mr. Bagent during his absence.

**Noted in the Erin Advocate** that Lawrence (Larry) MacKenzie has bought out his partner in the plumbing business there, Mr. John S. Wright, and will henceforth be the sole proprietor. Larry is the son of Mr. and Mrs. Sid MacKenzie of town.

**Downtown shopping** Friday morning passed Roy Magloughlin carrying a huge carton of American Beauty roses — the everlasting type. Our eyes bulged a little, I guess, and he said "You haven't seen anything yet! There are dozens more boxes — full where these came from." And all because of the Rose Garden Ice Follies the Georgetown Girls Pipe Band are sponsoring in the Arena this week. Promises to be an elaborate and beautiful production.

**Mr. Jamie McNeil** celebrated his 88th birthday on Monday, and we offer our congratulations. Mr. McNeil, who is a former superintendent of the now-closed "lower paper mill" returned to town a few years ago after several years away with his wife.

**Signs of spring** on Monday in St. John's Church auditorium when a representative of the Downham Nursery, St. Catharines, showed his new evergreen seedlings on hand for sale. The event, which was held by a few ladies from the church group, one of the W.V. which is held at St. John's Church, was held on North Street. Mr. Ernest Adams, nurseryman of St. Mary's, was in charge of the sale.

**Don't miss** the opportunity to see a play at the most important of Canadian cinema industry.
