PUBLIC SCHOOL NEWS

"Open Night" will be observed at the Public School, Thursday, March 9th, from 7 until 9 p.m. as part of the Education Week programme. Each teacher will be in her classroom to discuss with the parents the progress of their children. Education Week is a splendid opportunity to strengthen relationships between home and school, both of which are working for the advancement of the child. So, plan to attend open night.

There is a splash of beauty in every classroom these days since the daffodils are in bloom. The blooms are exceptionally large and beautiful.

A new outdoor skating rink in the lower part of the playgrounds along Victoria Street is bringing great pleasure to the children these days. It is the result of combined effort on the part of the senior boys. Being about thirty yards long and eleven yards wide it offers plenty of surface for old-time "shiny." The hockey game between Grades 3 and 4 scheduled for Tuesday afternoon, school was postponed due to a steady fall of snow during the afternoon.

On Thursday after school the Georgetown Public School boys will go to Milton for a game of hockey.

On Tuesday evening the Women Teachers' Federation of Esqueping met at the home of Miss Beatrice Hume, Main Street. Fifteen teachers were present. Business was conducted by the president, Miss Gladys McCrea and correspondence read by the secretary, Miss Marie Lindsay. The highlight of the evening was a most enjoyable training session given jointly by Mrs. Nellie Gardner and Miss Nora Kranz who told about their 3550 mile motor trip last summer to the Maritimes. It proved that a great deal of pleasure and interest can be packed into a two-week vacation. Mrs. James Evans will address the next regular meeting, the subject of her talk being, "My Year in the Bahamas."

Refreshments were served by the hostess, aided by Miss McCrea.
