**NORVAL**

The monthly meeting of the Norval Women's Institute was held last Thursday at the home of Mrs. Frank Fendley with the president in the chair. Mrs. Elmer Patterson took the motto "The best things in life are free" and Mrs. Fendley had the topic for the day, "Public Relations and Community Activities".

The ladies are looking forward to an interesting and friendly meeting on April 13th at the home of Mrs. Lorne Cleaver when the local W.I. are making arrangements to entertain the Institute group from Lunenburg. The meeting closed with God Save the King, and tea was served by Mrs. Fendley and the lunch committee. The WMS of Union Presbyterian Church held their weekly meeting at the Manie in Norval last Friday with Mrs. Jack McDonald presiding in the absence of the president, Mrs. Hoare. Mrs. Owens Macdonald took a chapter of the Study

Book which is based on missionary work in Japan. A report of the Presbyterian Executive meeting held recently in Toronto was given by Mrs. Clarence Anderson. Lunch was served at the close of the meeting by the committee in charge. A welcome is again extended to the members of the other congregations to attend at St. Patrick's Tea at the Manie on Wednesday, March 15th when the guest speaker will be Miss Edna Jaquet of Toronto. The Terra Cotta Farmers Club met in the Union Church on Monday of this week to hear Dr. Schofield of the Ontario Veterinary College speak of his trip to Germany last summer. The very interesting lecture was illustrated with slides. Mr. Lloyd Crichton was chairman for the evening and during the programme Mrs. Clark Lyons sang two Irish numbers, accompanied on the piano by Mrs. J. L. Self. At the suggestion of Dr. Schofield a collection of used clothing for European relief was arranged. Lunch was served at the close of the evening by the committee in charge of the programme. Mrs. Vern Thompson and Mrs. Clifford Cook.

It was noted in the Toronto papers last week that Miss Olive Rankine who lived for some years in Norval had been successful in winning 2 firsts, 2 seconds, and 3 thirds in the professional class at the Kiwanis Musical Festival and congratulations are extended to her on this further achievement. The AYPAs of St. Stephen's Church, Hornby, held their March meeting at the home of the President, Miss Evelyn Course. The topic for the meeting was "Personality and Etiquette" and as part of the programme lists were made out of the desirable qualities each member would look for in a prospective "date". During the evening the group presented Mr. Maxwell with one of their own Hornby pins as a memento of a very happy evening. Lunch was served by Mrs. Course and Evelyn.

**IN THE MAIL BAG**

To the Editor: Would you find space in your Herald to let me express my appreciation to the people of Georgetown and district, by helping to make our Ice Follies a grand success and here are a few items I think the public should know. Do You Know... That there were over 1500 artificial roses made by the girls of the band for the decorations. Also they put the evergreens in the forms to represent the hedges and wired the roses on. They put the forms in place and tacked the imitation picket fence all around the arena. Also tacked the roses on the Pipe Band panel in centre ice. That 24 out of 28 members formed the work party to prepare the ice for the carnival. Other executives please note. That Fred Ballantyne donated the evergreens for the show. That Jim Burns drew them to town without charge. That some of the girls' boy friends helped to decorate the Arena. That Harry Bailey helped to make the hedge forms without charge. That we paid \$145.55 for the Arena including the \$20.55 public liability insurance. That the merchants and local industries paid approximately \$300 to advertising in our program to help the band. That new jackets for the Band girls for this season will cost approximately \$500. That we will hold another carnival late in March or early in April of next year as our annual fund-raising campaign. That the cost of the talent was well over \$400. That Provincial Paper donated paper this year, and Alliance Paper last year. That some have the gall to discuss the band accepting money for the first and only P-A-Y job we ever had in town, incidentally the Canadian Legion paid this account in memory of their fallen comrades, which doesn't mean anything to some of you. That the GRC wants to charge the band \$5.00 per week for use of the town hall for rehearsals. Roy Magloughlen, Chairman Fund Raising Committee

P.S. - If you have any discussion on this, contact me as this is written without the knowledge of Band members. And don't slap the first kid you see on the street.

Our regular meeting was held Tuesday evening and after business we went to our groups. The Beavers are coming along very nicely with their leathercraft under the supervision of their competent leader, Mrs. Denham. The Bluebirds appeared to be very busy discussing plans for a cooking class. Wonder if we'll be in on the sampling? The Skylarks seem to be doing very well on their little baskets which they are making out of Xmas cards. Honor Group: The Bluebirds. O Christ who art the Light and Day, Thou drivest darkness night away. We know Thee as the Light of light, Illuminating mortal sight.

**PUBLIC SCHOOL NEWS**

The parents, and other people interested in education, are reminded of "Open House" Thursday evening, when each teacher will be in her respective classroom from 7:15 p.m. until 9:30 p.m. Work will be displayed. It is hoped many will find it possible to attend.

Last Friday after school, despite stormy and severe weather, the senior boys went to Milton to engage in a hockey game which resulted in a victory 9 to 1 for Georgetown. Those scoring goals were: Fred Blekenon 3, George Webster, J. Gerald Scott - 1 and Ian MacNeille 1. The team as a whole played exceptionally well, outclassing Milton in every way. For our team, Carman Maltby is goal was outstanding, while G. Webster and Fred Dickenson were brilliant on the forward line.

Last Thursday morning a misfortune befell Robert Hillier, who was playing on the hill at recess. He was struck accidentally by an oncoming toboggan which knocked out his front tooth. The shield for best classroom attendance for the month of February went to Grade 8; H. C. Wrigglesworth's room, with 96.4 per cent.

Several of the senior pupils are entering the essay contest sponsored by the local Legion branch 120. Although they are finding the subject rather difficult they are showing considerable interest in the enterprise. The topic, "My Idea of Canadian Citizenship" is to be covered in five hundred words or fewer. The teachers feel grateful to Legion members, who are showing their interest in education in this way.
