LIMEHOUSE

Mrs. Ernest Curry, Check Line, was hostess for the monthly meeting of Limehouse Women's Institute on March 2nd, with the president, Mrs. E. Miller in charge of the meeting. Each member told an Irish joke as a contribution to the roll call. Notes of thanks were read from several who had received flowers or fruit. Conveners of standing committees were reminded to have their yearly reports ready for the annual meeting which will be held on April 5th in Limehouse Hall. Mrs. J. Ellerby, Mrs. A. J. Smethurst and Mrs. E. Kirkpatrick were appointed a committee to compile a concise history of the Branch. A county project "Health Before and After 40" was arranged for Limehouse Hall on March 24th with Mrs. E. Sanford, Mrs. H. Norton, Mrs. H. Bell and Mrs. J. S. Noble a committee to arrange tea. A garden committee Mrs. Frank Brown, Mrs. Sam Glsby and Mrs. Kirkpatrick was appointed to look after the school gardens for the ensuing year. It was decided after some discussion to rent glasses and silverware owned by the W.I. when requested at 1c apiece. Mrs. Glsby reported on the Girls Club project and a committee was named to collect and pack a parcel of clothing for the Unitarian Service Committee. Members are Mrs. Smethurst, Mrs. Wright, Mrs. H. Norton, Mrs. Noble and Mrs. Kirkpatrick.

Mrs. R. Thompson, convener of agriculture and Canadian industries, took over the meeting and called on Mrs. E. Sanford who read an article written by Ethel Chapman in the Farmers Magazine, "A Sense of Family". Mrs. Glsby read a poem "Topsy Turvy". Mrs. Kirkpatrick, historical research convener, had a paper with pictures showing what \$3 would buy in 1932 and 1949, also the entrance examination papers of 1914. Mrs. Ern Baskin gave a few "wife savers" and aroused interest in the new "Tide" which claims to wash clothes clean without rinsing. She asked any ladies using it to report after trying it out. Mrs. William Cromar was a welcome guest at the meeting and delighted the ladies with two recitations. Mrs. Smethurst had the motto "Where there's a will, there's a way."

Mrs. R. Thompson read a paper on raising geese. There seems to be many new phases to this business and anyone intending to go into it would do well to read up on the subject. A social hour was spent after the business meeting.

Don't forget the wearin' o' the green is in order this Friday.

Legion Notes

THE ESSAY CONTEST sponsored by Branch 120, seems to be creating a great deal of interest. We understand there are a large number of entries from both schools. This contest was an excellent idea and certainly the prize (\$10) is very worth while. It is hoped that the Branch can see their way clear to hold more of the same type of contests in the future.

WE UNDERSTAND THERE was a good crowd of the Brampton boys on hand a week ago last Saturday at the local Legion Hall, when the NCO's of Lorne Scots, Brampton, were entertained here. Although the Darts seemed to be the main order of the day, a good many found partners among the local members for cribbage and bridge. Refreshments were served.

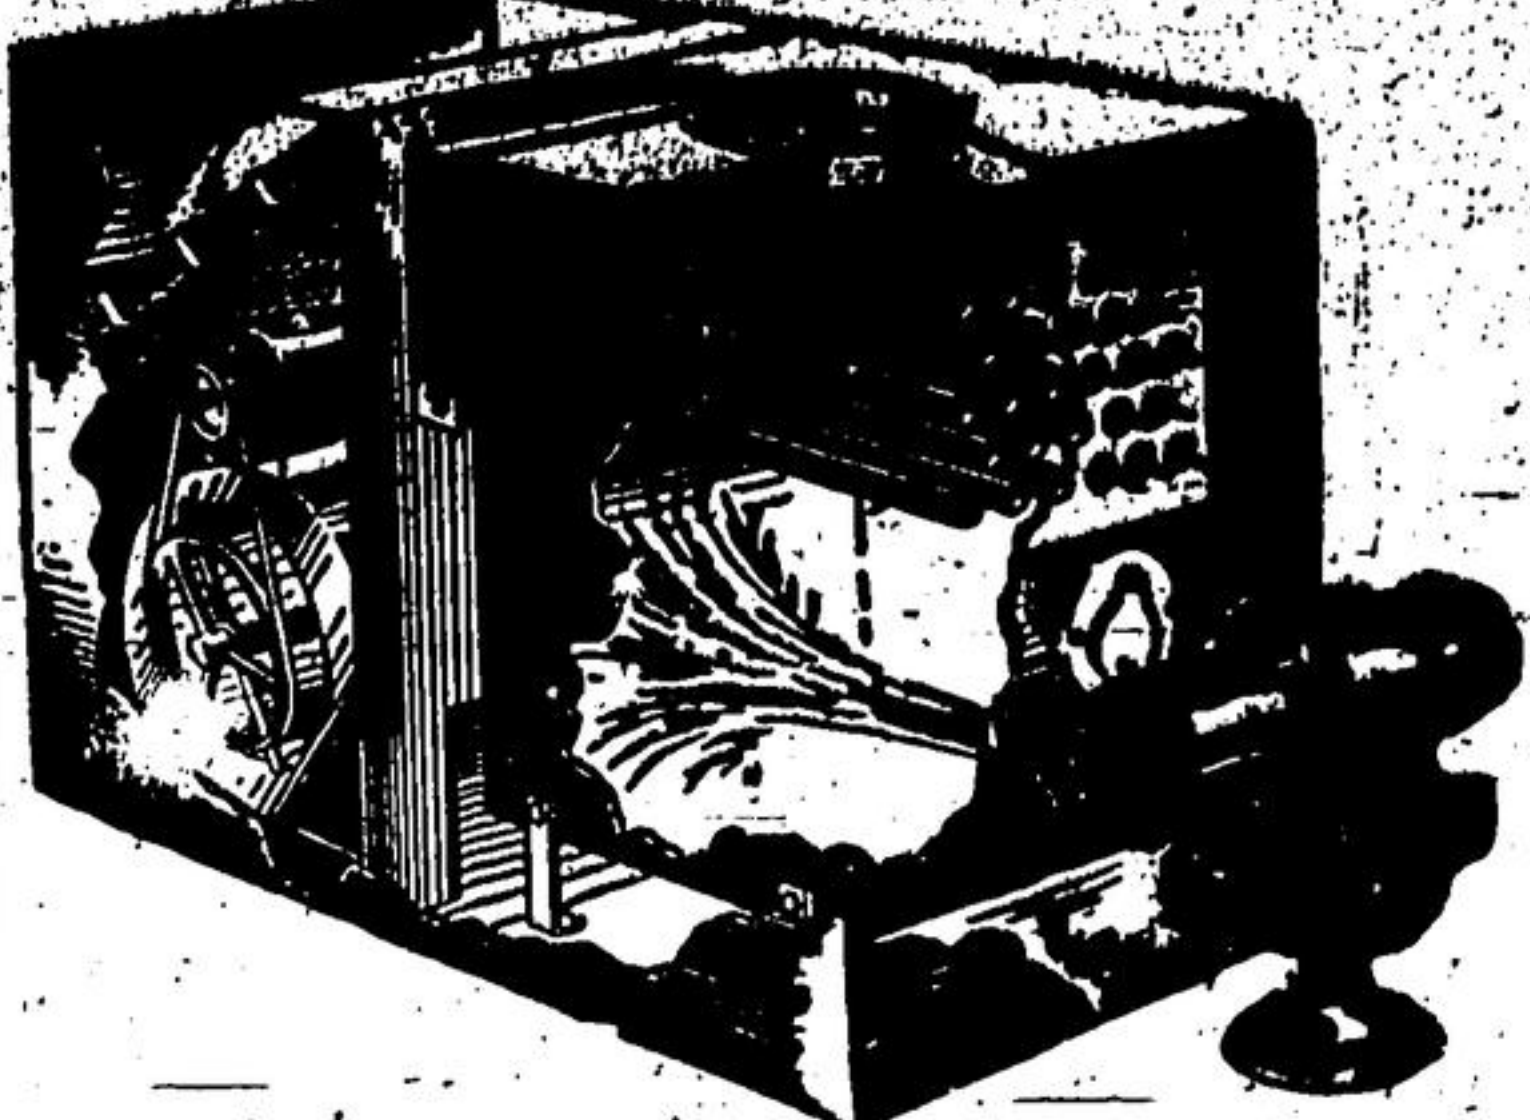

FRIDAY NIGHT will find a large number going by bus to the Arranochies in Brampton, for a return visit with the NCO's. By the number of names already on the bulletin board, it looks like a big crowd from Georgetown. We believe two buses have been hired for the trip. The occasion? The annual St. Patrick's Ball there.

NAMES OF THE DART teams are now posted up in the Dart room, along with the captains of each team. There are six teams entered in the tournament this time. In the future we will try and keep a summary of team standings and individual high scores, each week.

WONDER IF ANYONE will go to the Dominion Convention in Winnipeg to be held in May. For anyone thinking of attending, the Canadian railways offer attractive reductions. We believe that adults attending (Legion members) can travel there return, for single fare. This also includes members of the Legionnaire's family 12 yrs. and over. Children under 5 ride free, and from 5 to 12, we think it is half of single fare. Sounds like a good opportunity for anyone to spend a vacation in the west. Stop-overs can be arranged. The convention will be held from May 14 to 18th.

A new wrinkle in dentistry is the installation of artificial teeth by a metal plate riveted to the jawbone with four posts to which the teeth are attached. It requires a major operation and costs somewhere over \$500, but the teeth are guaranteed to last.

WE ARE KEEPING OUR PROMISE

Two months ago when coal shortages forced us to reduce passenger train services, Canadian National promised that all these trains would be put back into normal service as soon as conditions justified it. Now we are keeping our word.

Full CNR Train Service Restored

As from Wednesday midnight, MARCH 8th, all trains in Canada that stopped running because of the coal shortage go back on their normal schedules.

To you, the public who gave us your understanding co-operation during this trying period, we extend our grateful thanks and say to you that the Canadian National will, as over many years, provide you with fast, reliable, up-to-date transportation.

Al Gordon
 President

BAPTIST HIGHLIGHTS

On Sunday morning, the Rev. G. W. Gower chose as his theme "The Parable of Responsibility". Everyone has one or more talents, he said, and God expects us to use the ability given us, if it is one talent or ten. We should not bury our talent, but develop it. Unused talents become powerless and God will come some day and judge us. Let us all be judged as the ones who developed their talents, not as ones who buried them.

The choir sang "The Lord is my Shepherd" as a musical contribution to the service.

"A Christian's Duty" was explained by Mr. Gower at the evening service. Jesus is always seeking after man and giving the invitation to all "Come and see," he said. He had a special work for us to do. Too many do not heed the call and travel the road to destruction. We must stop today and consider which way we are going and if we are on the wrong road, change our direction.

FARMERS FINED FOR INCOME TAX INFRACTIONS

Six Milton district farmers appeared in court at Milton last week, all charged with failing to file income tax returns for the years 1946 to 1948. Three were convicted and assessed the minimum penalty of \$25 and costs or 15 days. One charge was dismissed, and two others remanded till a later date.

While the tax department has denied charges that special attention is being paid to farmers this year, it is certain that a closer check is being made on rural businessmen who have been ignoring tax laws. It is necessary for every person to file a return, whether he is liable to pay tax or not, and according to a recent article in a daily paper, there are thousands of farmers who have not been fulfilling this obligation.

MANAGED STORE HERE, HAS 25 YEARS SERVICE

Miss Pat Ellis, who managed the Dominion Store in Georgetown for several years during the war was one of those honoured at a banquet in the Royal York Hotel, recently. Miss Ellis, who now manages the store in Milton has completed 25 years service with the company and was presented with a Gruen wrist watch and a corsage of flowers.
