**Officers Elected by  
New Club in Glen**

At a meeting of the newly formed Married Couples Club of Glen Williams United Church last week, officers were elected. Mr. and Mrs. Win Wheeler will hold the office of president with Mr. and Mrs. John Wagstaffe, vice-president, Mr. and Mrs. Dick Miner, secretary, and Mr. and Mrs. William Schenk, treasurer.

The meeting was at the home of Mr. and Mrs. Frank Carney and Pharon Vannatter showed colored slides taken in different sections of the province. The regular meeting date was set for the third Wednesday of each month. Members were asked to submit names for the club and the final choice will be made at the next meeting.

Guide-Dave how is all you happy people? We hope that all you have not got colds like we all have at GHS. We are not going to complain on the lovely spring weather we are having for the first time we did as we were plagued with protests proclaiming us as the cause of the most unwelcome snowfall that occurred shortly after the column was wrote. (written) Spring is here to stay, however, and now can change it except old mother nature whom we have sent a ten thousand word petition to, signed by the students of GHS, requesting her to cut out the nonsense and get down to summer so us cities can get a chance to obtain some clean handkerchiefs. From the grapevine (Al Gillis) we hear that robins have been seen in the vicinity of GHS, (waiting for Mr. Evans to sweep out first form after lunch period, no doubt) but we don't understand, Gillis awake that early sounds impossible.

We know this doesn't pertain to High School but we feel that it's worth mentioning. Re. Bruce Smith at the Band concert presented by the Lorne Scots this past Sunday. What's that got to do with High School, you ask, well, we'll tell ya. One of Bruce Smith's safety strollers is "wait for the empty space to go by." This applies when crossing a busy street. The streets in Georgetown don't get that busy, one can usually get across with only minor injuries. The students at GHS however play things very safe. Oftimes we have seen them sit a whole day waiting for an empty space to come by. Those Spare cops. Study periods sure come in handy. Getting back to our original topic, Bruce Smith, we wish to say that we and everybody enjoyed his antics and cheering very much. Incidentally, there is a question of doubt arisen as to whether Bruce is a foster or not. Some say yes because they hear him on her as the case may be, even practically every morning on the Post and Jamboree show. The others say Bruce is a her because somebody sure had a lot of eyes on Saturday night. The problem will soon be solved by the Georgetown High School Debating and Tournament Society. In the way, here is another little item of interest. Three Days have come and already most of the boys at GHS are sporting a growth of hair of fungus on their upper lips which they proudly inform us is a moustache. (moustache, moustache).

This Thursday we ones are going to the show to see Henry V. GAD. We will be honored by the presence of William Shakespeare who by order of the Student Council took a fast plane from the Elysian fields to be with us. You know William wrote the story, so the Student Council figured it would be nice if we had him here to answer any questions after.

Here is a little poem we thought was kinda thoughtful:  
Life is what you make it,  
Mind and soul and heart  
Must be guided by you  
To play a winning part.  
If we should be weak,  
Then like the blowing snow  
Our lives away will drift  
Until we lose our soul,  
We would as celestial bodies  
Out-hine our neighbour's light  
But to increase our candlepower  
We first must win the fight.

The fray between the Devil's horde  
And the guardian of our soul,  
Continues day in, day out, until  
We strike the winning blow.

**ASHGROVE**

The March Women's Institute meeting was held last Tuesday, president Mrs. C. Austin in charge. Roll call was "My favourite baby's name." Cards of thanks were read from sick persons who had been remembered. A social early in April was planned. Mrs. Leslie Giffen and Mrs. Cecil Wilson were appointed a nominating committee. Mrs. Horace Barnes gave the motto — "A sense of humour is better than cents" which proved that money doesn't always make for happiness in life. Mrs. Ward Brownridge gave current events and Barbara Cunningham played some piano selections. Miss Lucille Barber of the Home Economics Dept. was a guest and spoke on proper kitchen equipment and how much easier housekeeping is if one has the right work tools. A social hour followed the meeting.  
Mr. and Mrs. John H. Hunter are the proud parents of their third baby daughter, born early Sunday in Milton Hospital. Congratulations The Young People held their meeting Sunday evening at the

**NATURE UNSPOILED**  
**YOURS TO PROTECT**  
THE MEADOWLARK whistles cheerfully in fields and meadows all summer from March onward. Look for his white tail-feathers when flying — they're the best mark. He lives on grasshoppers, caterpillars and beetles, and is an extremely beneficial bird. He should always be protected.

**Did You Know?**

THAT Norman Long has joined our staff and will be in charge of the Parts Department. To most of you Norman is no stranger. Drop in and see him in his new environment. We know he will try to please you.

THAT we have had our showroom and parts department refinished in a new color scheme. It wasn't designed by "Suzanne" of Paris, but we like it. We think you will too. Let us know.

THAT we also have a brand new colour scheme in our famous Farmall "Cub" tractor. White, trimmed with red, with all attachments including the popular Hydraulic "Touch Control". It retails, fully equipped, at \$954, delivered in Georgetown.

THAT the new Farmall "C" is also available in the new colour scheme, and delivered to you from \$1565 up.

THAT if your present tractor needs a little tuning up or a complete overhaul to start the spring work, Bert McMenemy has the know-how plus the genuine Harvester parts to keep you trouble free.

Stop-in and see this new set-up.  
We hope you will like it.

**ALF KIRBY RECORDS HIGH BOWLING TRIPLE**  
A new high triple of 882 was chalked up by Alf Kirby last week in the industrial bowling league at the Lucky Strike. He also scored high single for the week of 227. Alliance Paper, of which he is a member, is leading the league with 123 points. Combines second with 122. Bill Anderson, 228, Duke Wilson 224 and Alf Kirby 218 have the season's three high averages to date.

The brown trout was introduced to Canada during the last century. It came from Europe.
