MACKENZIE NEWS

Texas a famous victory. Our boys surely put Bucko and his Beavers in their places.

This is a clean-up and paint-up time. For wood protection and use as a priming coat for either natural or painted finishes, we have Timber-Lux sealer at $4.50 per gal. It saves one coat of paint as well as preventing rot and decay and lengthening the life of the wood. Ideal for use on window boxes, lawn chairs, trellises, verandah floors or any outside woodwork.

See you at the Hobby Show viewing the work the smart Georgetown people do in their spare time.

AN INVITATION
from
K's GRILL
TO YOU

Now that the Easter rush is o'er
And bunny molds are back in store,
We cleaned the place from ceiling to floor
For we want to welcome you back once more.

Drop in for tea or dinner again,
Home cooking to please you's our constant aim,
For a nice juicy steak that is done to a turn
With French Fried potatoes . . . . does that make you yearn?
Or if it's a sandwich, toasted or plain.
We know that you'll like it and come back again;
For a good cup of coffee we can't be beat
K's GRILL is the place for you to eat.

IT PAYS TO BUY A "CUB"

Because it will do 1000 hours of work for $11.18 less than "ONE".

Because it will do 1000 hours of work for $47.85 less than "TWO".

THE "CUB" CAN PULL A BIGGER LOAD!
184 lbs. more than "ONE" — 839 lbs. more than "TWO".

The saving of $11.18 over "ONE" would allow you to pay for gasoline for 2342 miles with your automobile.

A saving of $47.85 over "TWO" would buy a "CUB" 135 Vegetable Planter — or the Swing extra a "CUB" Levelling or Grader Blade.

The saving of $47.85 over "TWO" would give you a free 2,342 mile [illegible] of gasoline paid, or buy either of the above tools.

Such savings are worthwhile. They make you money by saving you money.
