Rosy rhubarb makes a super dessert. Economical in price and brisk in flavour are good reasons for purchasing this first fruit of the season. You can cook a rhubarb sauce in "No-time", and serve it in various ways. Some varieties which may lack colour are brightened by the addition of a little red food coloring. Whether rhubarb is the main ingredient of pie, cottage pudding, crumb pudding, frozen cream, pineapple conserve, or punch, you will find the flavour of rhubarb gives you a good "pick-up."

TAKE A TIE

1. Orange peel and orange juice in rhubarb sauce sharpens the flavour.
2. A pleasant dessert is a rhubarb pie made with a mixture of the fruit, beaten eggs, sugar and flour.
3. To make rhubarb sauce: Combine 4 cups chopped rhubarb with 1/4 cup water. Cover and bring to a boil. Uncover, and cook gently until tender. Add sugar to taste and cook one minute longer.

RHUBARB PIE

- 1 2-3rds cups sugar
3 tbsps. flour
1/4 tsp. salt
2 beaten eggs
3 cups cut rhubarb
Pastry for 9-inch pie
Combine sugar, flour and salt. Add eggs and stir in rhubarb. Fill 9-inch pastry lined pie. Bake in electric oven at 450 degs., 10 mins., then in reduced temperature of 350 for 30 mins.
Plain Pastry: Sift 2 cups flour and 1 tsp. salt; cut in 2-3rds cup shortening until mixture is size of small peas. Slowly add 5 or 6 tbsps cold water.

RHUBARB UPSIDE DOWN CAKE

- 2 cups diced rhubarb
1 tbsps. flour
1 tsp. grated orange peel
1 tsp. cinnamon
2-3rd cup honey
1 cup flour
1/4 tsp. salt
2 tbsps. baking powder
1/4 cup shortening
1 beaten egg
3 tbsps. honey
2 tbsps. orange juice
Arrange rhubarb in greased 8-inch cake pan; combine 1 tbsps. flour, orange peel and cinnamon sprinkle over rhubarb. Pour 2-3rds cup honey over all. Sift dry ingredients; cut in shortening until mixture resembles crumbs. Mix egg, milk and 2 tbsps. honey, and add to flour mixture; stir just until flour is moistened. Spread this stiff dough over rhubarb. Bake in electric oven at 350 degs. for 25 mins. Then pour mixture of 1 tbsps. orange juice and 1 tbsps. honey over cake and continue baking for 15 mins. Serve warm. Serves 6.

RHUBARB CREAM

- 2 cups diced rhubarb
1/2 cup sugar
1 cup top milk
2 beaten eggs
1 tbsps. lemon juice
1 tsp. vanilla
2 egg whites
1/4 cup sugar
Select tender rhubarb. Do not peel. Combine rhubarb, 1/4 cup sugar and salt. No water. Cover and simmer until tender.
Combine milk, egg yolks, lemon juice and vanilla. Add rhubarb and mix well; pour into freezing tray and freeze. Beat egg whites. Gradually add 1/4 cup sugar. Continue beating until sugar is dissolved. Turn frozen cream into chilled bowl and break into chunks. With electric or rotary beater beat until fluffy smooth but not melted. Fold in egg white mixture and return to cold tray and freeze firm again. Serves 6.

THE SUGGESTION BOY

Mrs. L. R. suggests method of "pepping up" carrots: Combine 1/4 cup sugar and 1/4 cup bacon fat over low heat. Add 12 boiled carrots and then 2 oranges (peeled and sliced). Cover and heat for 5 minutes, then serve.
Mrs. W. W. Says: When their supply of potatoes has been finished they use quick cooking rice and toss it together with cooked salad greens as a substitute.
Mrs. J. K. says: Cut 6 or 8 stalks of rhubarb with a sturdy knife into even lengths. This saves time in comparison to one stalk at a time.
Mrs. B. A. suggests: To do a good job of icing cupcakes dip top of cooled cupcake into soft white frosting. Twist it slightly, then quick turn it right side up so frosting will make a fancy peak. This way you can ice the cakes in easily half the time.
