Norval Minister Preaches Sunday At St. John's

Rev. Alex F. Cowan, minister of the Norval Circuit of the United Church of Canada conducted the worship in St. John's Church on Sunday morning. In a very able and challenging manner, he stressed the importance of the completely surrendered Christian life, and the value of continued consecration to God. As a scriptural basis for his message he used two parables of Jesus—The Wise and Foolish Builders and The Uncompleted Tower. The choir under the direction of Mr. Norman Laird sang the anthem "O Jesus! Thou art Standing."

The evening worship was conducted in Memorial Hall by Alfred Spence, Y.P.U. President and Jane Milne, who read the scripture from 1 Corinthians, Chapter 13. The films "The Power of God" and "Against the Tide" were shown. The former in modern story form showed Christianity at work within an average congregation. The latter showed the activities of groups of young people from Moody Bible Institute as they worked for the Kingdom of God against the rising tide of evil in the city of Chicago.

It was announced that Mother's Day Services would be held next Sunday at 10 a.m. in Memorial Hall and 11 a.m. in the Church auditorium.

The regular meeting opened with the girls repeating the CGIT purpose followed by the hymn. Business followed, with the president in the chair. Mrs. C. J. Buck led in a short devotional period, taking the last part of the Purpose— "To

Waste Not Want Not

Many thrifty people keep only enough money in the bank to take care of their current expenses because they can get much better interest by investing money in Canada Bonds.

They do not want to waste this extra interest and they know that there is no safer place to keep their money than in Canada Bonds which they can cash quickly any time they wish.

Note Carefully: If you own First Victory Bonds—

The Government has called First Victory Loan Bonds for redemption on June 15th. Interest stops on that date so be sure to arrange to cash your bonds and reinvest in the New Canada Bonds.

Don't forget to honour our Mothers on Sunday —
God hadn't an angel for each of us,
To keep us from harm thro the day
To help us and cheer us,
To soothe and be near us,
To brighten the darkening way;
He couldn't send angels to live
upon earth,
So he gave us instead as a gift at
our birth,

A MOTHER!
