

*There's a picture every mile!*

It's a real treat to sit back and take it easy - to enjoy a close-up picture of Ontario's favored countryside, as trim farmlands, rugged hills, sparkling lakes, busy towns and villages roll by in scenes of everchanging interest. That's just one of the reasons you'll enjoy going anywhere by bus.

ROUND TRIP (subject to change)

**THE MIXING BOWL**  
Crawford to Kingston  
New Raxy Man Here

Hello Junior Homemakers! This week mother looks forward to Sunday when daughters and daughters-in-law plan to relieve her of extra duties, and you know what you can do to please her most. Mother, on the other hand, hesitates to say: Don't do this and Don't do that. So with this in mind we list a few don'ts which will help not only on Sunday, but every day in the year.

1. Don't peel the vegetables leaving thick skins.
2. Don't pour the vegetable water down the sink.
3. Don't place food in the electric refrigerator without covers.
4. Don't forget to fill the salts and peppers, and wipe them off after dinner.
5. Don't store the filled salt shakers in the china cabinet because salt tarnishes silver.
6. Don't try to cut bread by pressing down into the loaf - slice with a see-saw motion.
7. Don't forget to scald out the teapot before you measure in the tea.
8. Don't forget to soak the pots and pans when you serve the dinner.
9. Don't forget to use a tray to carry things and prevent spill-overs.
10. Don't hesitate to ask mother where things belong so she can find them again.
11. Don't wash lingerie and hang it over a kitchen chair - roll it up in a towel.
12. Don't forget to clean the bathroom basin and tub after using.
13. Don't put commercial drain cleaning solutions or Javel water down the sink if there is a septic tank. Use a detergent or soap and rinse with plenty of hot water.
14. Don't forget to put away your woollen sweaters and winter things in a sealed box.
15. Don't forget to rub winter shoes with leather soap and stuff them with paper so they will keep their shape.
16. Don't dust woodwork with a damp cloth unless you use furniture oil and polish with dry cloth afterwards.
17. Don't push doors or the panel - use the doorknobs.
18. Don't forget to rub your shoes on the door mat.

19. Don't hang pictures on the wall before you stick a piece of adhesive on the place where you hammer the hook in.  
20. Don't tilt back in any chair to mar the floor or loosen the chair rungs.

**THE QUESTION BOX**

Miss S. J. asks: (1) how sterling silver should be cleaned?  
Answer: Polish every month or so with a good brand of silver polish. Rub each piece briskly lengthwise, never crosswise. Then wash silver in hot, soapy water and rinse in clean hot water and dry with a soft flannel or chamois.  
(2) How do you prevent scratched flatware?  
Answer: They tell us that millions of fine scratches will give the silver a more durable and practical finish than could ever be achieved mechanically. The way to overcome the prominent scratches is simply to use the silver frequently.

Mrs. G. O. asks: What is the correct setting of flatware for a dinner table?  
Answer: The pieces of silver depend on the menu and are placed on a line one inch from the edge of the table (tines turn up and blades turn toward the plate). Next to the plate place the salad or dessert fork and if you have one, the fish or cocktail fork. On the right side next to the plate is the dinner knife, the dessert spoon and then soup spoon. The butter spreader is placed diagonally on bread and butter plate with the blade towards centre. Tea or coffee spoons are served on the cup and saucers when the beverage is served.  
(2) The folded napkin is placed to the left of the plate with the corners toward the plate and at edge of the table.

Note: We are glad to publish this request upon enquiry from a teen-ager born in Europe and now learning Canadian "ways."

**ENGINEERING STUDENT SPENDS SUMMER IN NORTHERN MINE**

Mr and Mrs. Jack Tarzwell returned to town from Portsmouth last week. Mr. Tarzwell having completed his third year course at Queen's University in mining engineering. He left Monday for Wawa, north of Sault Ste. Marie, where he will work for the summer in an iron mine. Mrs. Tarzwell will visit for a few weeks with her parents, Mr. and Mrs. Alvin McDonald, Queen Street, and will work at Thornhill during the summer.

Definition of a kiss: A contraction of the mouth due to an enlargement of the heart.

**Crawford to Kingston New Raxy Man Here**

Ernie Crawford, manager of the Raxy Theatre here, for the past year and a half, has received a promotion to the management of the Biltmore Theatre in Kingston and left town yesterday to take over his new position. Mr. Crawford has been with the Odeon chain, which owns the local theatre, for several years and came here from Toronto where he was manager of the Metro Theatre. Before that he was in Orillia. He was a member of the Lions Club during his stay in town. With his wife and son Roderick, he has just moved into a new house on Ostrander Boulevard.

**LIONS ENTERTAIN AT ANNUAL LADIES' NIGHT**

With Deputy District Governor Mansell Ketchum as guest of honour, the Lions Club held their annual Ladies' Night last Tuesday at the Legion Hall. The Legion ladies catered for a chicken dinner and a toast to the ladies proposed by Jack Gunning was responded to by Mrs. J. L. Lambert.

Introduced by Lion Chief Lambert, Mr. Ketchum made some remarks on the meaning of Lionism and was thanked by Fred Chapman. A lucky draw for a casting rod was won by Ernie Rawson.

Entertainment was in charge of Cecil Davidson and Ernie Rawson and consisted of a number of skits and games with dancing to a record player.

**BROTHER OF MRS. MCBRIDE DIES AT SON'S HOME**

A brother of Mrs. J. McBride of Georgetown, George Alexander Campbell died last week at his son's home in Brampton. Born in Cheltenham, he was the eldest son of the late Archibald Graham Campbell and Mary Hall and farmed there until moving to Brampton a few years ago. His wife, Mary Hunter died 25 years ago. He is survived by three sons, Archie and Alex, Brampton and Hunter of Inglewood, a brother, J. R. (Bert), Delisle, Sask., and two sisters, Mrs. J. McBride, Georgetown and Mrs. H. Watson, Snelgrove. Following a funeral service in Brampton interment was made in the family plot at Cheltenham.

The taste's the test for tea! Canadians buy more Salada than any other brand.

**Mrs. Charles Bowler Dies in Galt Hospital**

Several friends from town attended the funeral service in York Road Baptist church, Guelph, for Mrs. Charles Bowler, a former resident of Georgetown. Mrs. Bowler who was a resident of Hespeler died in Galt Hospital.

A native of Hamilton, she lived in town with her husband who was employed at Smith & Stone and they resided in the house on King Street now owned by Mrs. Florence Curtis. Both were active members of the Baptist Church here. About twelve years ago they moved to Hamilton and later to Hespeler. She is survived by her husband and two daughters, Dorothy, who was married shortly before her mother's death and Margaret.

**A. C. Patterson's Father Dies Suddenly in Acton**

A resident of Acton, Robert Patterson died suddenly there in his 80th year on April 25th. Born in Caledon Township, he was the youngest and last surviving member of the family of the late David and Jane Patterson.

Fifty-two years ago he married Mary Carlisle and for 45 years they farmed in the vicinity of Blackwood and Acton. In 1944 he retired and moved to Acton. Just 150 years ago they had the pleasure of marking with a family reunion their golden wedding anniversary.

Besides his wife, he leaves six sons, Aldon of Limehouse, Ross, Arthur, Elliott, Wilbur and Russell. There are seven grandchildren. The funeral service was held in Epox Presbyterian Church, Acton, with interment in Fairview Cemetery.

**TOM GARD'S NOTE BOOK**

Our new neighbours moved in yesterday and we had fun watching them start immediately to fix up the interior to suit themselves. With the house shortage being what it is, I didn't think it would take long to find a tenant. I have met the man of the house, "Red" Breast, but not his good wife - she was too busy! The two robins must have liked the shelter I put up for them in the early spring as they have decided to stay.

Most of our feathered songsters will be returning soon and looking for a nesting place. Help ease their housing problem by building one or two of the houses illustrated. Weathered wood without paint is a satisfactory building material. It's wise to stay fairly close to the dimensions as given in the booklet "Around the Home".

**Doorways**  
Does your doorway extend a welcome? It's a most important feature of the home that can be made very attractive by an arrangement of flowering shrubs for summer, ornamental evergreens for winter effect, and climbers. Perennial plants are best for the man who owns his property, annuals for the one who rents.

**Rock Gardens**  
I spent two enjoyable hours in The Royal Botanical Garden last week admiring its beauty, listing some of the plants that are in bloom even at this early date, and getting some ideas for rock gardens. When asked what can be done with a sloping bank my usual suggestion is to build a rock garden. When carefully planned and executed, it's a decided asset to your property. You'll find directions and a list of plants that can be used in the booklet "Around the Home".

**Around the Home**

**ROBIN NEST SHELF**  
BACK 6" x 8 1/2"  
TOP 6" x 10 1/2"  
BOTTOM 7" x 8 1/2"  
END 6 1/2" x 6"  
BRACE 2" x 9"

**WREN HOUSE**
