Gibson, Storey Play Softball in Quebec

Hal Gibson and Kent Storey have left to spend the summer at Temiskaming, Quebec, where they will play with that team in the North Bay fastball league. The league comprises three teams from North Bay and the Quebec team. Hal expects to play short stop and Kent second base. Temiskaming is a company town on the Ontario-Quebec border, 41 miles from North Bay. Jack Dyte, a former hockey team-mate in the Toronto Industrial League is sports director there and was instrumental in inviting these former Raiders for the summer. Mr. Dyte, it will be recalled, was an applicant for the position of hockey coach here a few years ago when it was considered hiring an assistant recreational director to look after hockey.

Most people would rather look backward than forward, for a very simple reason — it's easier to remember where you've been than where you're going.
