**ANNOUNCEMENT!**

On Friday, June 9th, we open our new

**Shoe Department**

We must admit that we feel quite proud of it!

• With the opening of this new Shoe Department, one of the largest and most modern in this district, we have completed another step in the development of a retail enterprise, founded 21 years ago by Mr. H. Silver and now considered by many people who have travelled throughout the province, as one of the finest apparel stores in Rural Ontario.

• Our new "down-stairs" shoe department will take up about 1800 square feet of floor space. This will give us a total store area of about 7000 sq. feet. Our shoe department will contain approximately 5000 pairs of shoes and rubbers at all times. It will be devoted mainly to "quality" footwear for the entire family. But — as in the past, "Quality without extravagance."

• We consider the opening of this shoe department, a significant milestone in the life of our business. We feel that the development of a business of this type could only be made possible through the continued confidence of the buying public in the integrity of our business, and in the efficiency of its operation.

• In return — our confidence in the development and progress of Georgetown and its suburbs, has left no doubt in our minds about our resolution to give the public the finest type of store that is in our power to develop.

Here are a few of the Famous Brands featured in our New Shoe Department:

- "Hartt" Men's Dress Shoes
- "Hurlbut" Children's Shoes
- "Gale" Men's and Ladies' Dress Shoes
- "Sisman's" Scampers and Work Boots
