

Legion Notes

LAST SATURDAY was the big trip to Buffalo, and from what we hear, it was a pretty good outing. The boys (thirty of them) left on Saturday morning, at 9.30, stopping at St. Catharines for lunch and staying until Sunday in Buffalo. Not too many details are available, but we gather a good time was had by all.

THE JOINT BINGO held last Wednesday was not the huge success that was anticipated... however about 400 were present and \$250.00 made on the evening.

THE BALL TEAM finally came through in fine style last Thursday night, by taking Limehouse quite handily. Spotty Patterson was on the mound, and George Duke supplied a lot of the hitting power. Talking to Chubby, after the game, and he said the prediction this column made last week about the team needing moral support at the games came true — he explained that the team had a rooting section of one for the last two minutes of play. The fan? ... none other than Charlie Day!! Just think what could happen if the whole Executive turned out some night! If this happened, say at a Glen vs. Legion game, wonder who Jimmie and Nick would root for?

In all seriousness, tho', now that the boys have broken their losing streak, we predict a winning team. On paper, they appear to have one of the strongest batteries in the league, and now with Scotty supplying a bit of coaching, as well as pitching the odd game, should go to town.

HORSESHOE PITCHING is still very much in the air. We believe that the sports chairman has either been to or is going to an executive meeting shortly to see about using the property behind the Hall for a couple of pits. Still figure the boys are taking an awful chance, with the traffic in and out of there... however, a horseshoe league should go over in a big way.

SUNDAY, JUNE 25th, is Decoration Day in town, so let's see all members turning out. The service will be held in Greenwood Cemetery, the parade forming at the

Legion Hall. Already, several organizations have signified their intentions of marching in the parade; among them the Lions Club, Women's Auxiliary, and the Town Council. We expect many more will want to take part in this service of Remembrance to those who lost their lives in two World Wars as well as those who have since passed away. The parade will form at 2.30 p.m., and will proceed via the Cenotaph to Greenwood for service at 3 p.m. with the Padre of Branch 120, Archdeacon W. G. O. Thompson taking charge of the service. Let's see every member of the Branch in this parade. We can recall the fine turn-out last November 11th, under quite difficult circumstances with many of the members working, etc. This parade, held on a Sunday, should be 100 per cent. Oh, yes, before someone mentions it... the heat. The answer to that is probably all members can recall a goodly number of parades attended, in the hot weather, and nobody refused to go on account of the heat! (Yes, we know, THOSE parades weren't voluntary.)

REGULAR MONTHLY meetings will be held, Friday, June 23rd in the auditorium. Suppose the couple of hundred members who haven't been showing up at the meetings, surprise the president and executive by being on hand. They would appreciate it!

Norval Loses Opening Game to Brantford

Norval Central Peels lost a close game Saturday at Brantford when a better-conditioned all Indian team came from behind to win 12-11 in the closing minutes of the game. The Brants are a powerful aggregation, numbering several players who formerly played senior with Hamilton, Gus Madson of St. Catharines and Doug Cove of Hamilton, both senior referees handled the game. The Norval boys were wearing their new sweaters for the first time. They are white with scarlet shoulders and trim, with Central Peels in scarlet lettering on the front and Norval on the back.

Norval led 5-1 at the end of the first period and 9-8 at the end of the third. The game was tied with 4 minutes to go and Brantford scored the winning goal in the last two minutes. Norval was minus three star players, Laidlaw, Louth and Cheyne.

Johnny Haines played a good game for the losers and got three goals. Clark Lyons and Larry Tajfer each scored twice and singles were scored by Moddison, Frank Clark, Junior Beaumont and Bob McCandless. John Gardhouse played a good game at defence and assisted on three goals. Spike Scott was in goal for Norval.

Jack Armstrong Is New Lions President

Jack Armstrong was elected president of Georgetown Lions Club at the annual meeting of that organization which was held last Tuesday at the McGibbon House.

He succeeds J. L. Lambert who has held the office for the past two years.

Clarence Kennedy gave a brief report of the zone meeting in Hamilton at which Gordon Vivian of Brampton had been elected deputy district governor. A report on an evening of entertainment for boys who played on the winning GRC hockey teams was given by Don Barrager. The players were entertained at an evening in St. John's Church Hall when a number of movies were shown and hot dogs and pop served.

WHY

A NEW Public School

is the **ONLY** answer to our Present and Future Educational Needs

- Question:** Why can't we make the present school do — by adding 2 new classrooms?
Answer: It will cost about \$50,000 to do this—and by the time the rooms are ready, more space will be required. They'll also cut down the playground space which is inadequate now.
- Question:** If 2 new classrooms aren't enough, can't we utilize space in the Town Hall or Public Library?
Answer: The space isn't suitable. It would cost Georgetown Taxpayers thousands to make it so, out of their own pockets. The Province won't help in such makeshift renovations.
- Question:** What do you mean the Province won't help?
Answer: The Provincial Department of Education is wide awake. It knows we'll need 14 classrooms for 495 pupils in 1952... and 17 classrooms for 576 pupils in 1954. Our own survey showed that.
- If we trifle with half-measures, the Province may take away our School grant.
- Which is cheaper—doing half a job and paying for it all, ourselves? Or building a proper, modern NEW School large enough for today and the future also — with the Province providing 36% of the cost, plus an allowance of \$16 per pupil of average attendance?
- We can't afford NOT to build the NEW School... and remember it'll take two years time!
