

Junior Farmer with a future

He's ambitious, that boy. Does chores for his father. Hires out to neighbouring farmers. Keeps some livestock of his own. And he saves his money.

Like many another farmer's son he has plans and is doing something about them now. He is wise enough to know that the habit of saving something out of every dollar he earns can be the very foundation of his future success. It is never too early to start a savings account.

Big Number Is Lucky One for Girl Refugee

Twelve-year-old Dace Epermanis (holding flowers, left picture) gets a special send-off at Bremerhaven, Germany, when reports of the U.N. International Refugee Organization (IRO) disclosed that she was the 150,000th displaced person to be admitted to the USA under its DP law. Her mother and father, leaving an IRO camp with Dace for their new home, stand with her in front of the ship. At right, Dace is shown aboard an IRO-chartered ship just after she first saw the towering buildings of New York. Large numbers of refugees from European lands have also received new homes in Israel, Australia, the United Kingdom, Canada, France, Argentina and Brazil.

Fisher-Stokes Wedding At St. George's, Lowville

Amid spring flowers and ferns, a pretty wedding took place in St. George's Anglican Church, Lowville, on Saturday, June 10th at 3 p.m. when Mary Winifred, Reg. N., daughter of Mr. and Mrs. George E. Stokes, Campbellville, was united in marriage to Mr. George Wilbert Fisher, son of Mr. and Mrs. George A. Fisher, Georgetown. Rev. R. Porritt officiated at the double ring ceremony. Mrs. Mary Dean of Fruitland played the wedding music, and accompanied Mrs. Jean Sykes of Hamilton, who sang.

Given in marriage by her father, the bride was gowned in white satin with a sweetheart neckline and skirt ending in a circular train. Her full length veil of tulle illusion was caught to a flower headdress and she carried a shower bouquet of white gardenias and lily of the valley. Mrs. Martin Snyder of Hamilton, sister of the bride, was matron of honour gowned in sky blue nylon over satin with matching flower headdress and carried a bouquet of yellow roses. Donna Harris, cousin of the bride, was flower girl, wearing yellow embossed ny-

lon organza with matching flower headdress and carried a nosegay of mauve sweet peas and yellow roses. Cleave Wilson of Brampton was best man and the ushers were Lloyd Stokes, Campbellville, brother of the bride and James Fisher, Georgetown, cousin of the groom. A reception followed at Hawthorne Farm at which the bride's mother received wearing a dress of pale blue Swiss embroidered faille with navy accessories and a corsage of pink carnations assisted by the groom's mother who wore navy faconne crepe with white accessories and corsage of pink roses. Later the happy couple left amid showers of confetti for a motor trip. The bride travelled in a dress of iris blue faille, light shortie coat, and navy accessories and corsage of pink gardenias. They will reside on the groom's farm near Georgetown.

Legion Notes

THE W.A. OF the Canadian Legion held their convention in Hamilton two weeks ago. There were two delegates from Branch 120, Mrs. Tom Grieve and Mrs. Cliff Stacey. The convention was one of the biggest ever held. Mrs. Grieve

was a member of the Resolutions Committee.

SUNDAY, JUNE 25th, is the date for the annual Decoration Day service. The parade will form in the afternoon at 2:30 at the Legion Rooms, proceeding via the Cenotaph to the Cemetery, for service at 3:00 o'clock. The padre of the Branch, Archdeacon W. G. O. Thompson, will be in charge of the service. The Lorne Scots Pipe Band will head the parade. ALL members are requested to be on hand to pay tribute to their departed comrades. All organizations are cordially invited to attend. Let's have a really big parade and a large crowd of all citizens on hand at Greenwood Cemetery.

THE BALL TEAM has been doing all right lately, with two wins chalked up last week. Guess maybe they'll come out near the top after all.

HEAR THAT ONE of the members on the return trip from Buffalo liked the kind face of the Customs Officer so well he "gave" him several cartons of cigarettes. Just proves that these customs people are no respectors of persons, doesn't it, Lofly?

THE DEEPEST sympathy of the Branch goes out to Bill English and his family in the sudden loss of a loving wife and mother.

A WARTIME HOUSING representative will be at the Legion Hall on Thursday night. ANY veteran, whether a member of the Legion or not, is cordially invited to be present to hear him and ask questions. An ad elsewhere in this issue will give all the details.

TOM GARD'S NOTE BOOK

"And what is so rare as a day in June?" rings through my mind on these first beautiful days of summer. "Then, if ever, come perfect days!" has been true again this year. I don't suppose those lines will ever go from my memory, impressed there by being written out twenty times back in my public school days!

Rustic Table

I was finally bullied into leaving my garden long enough to take the family on a picnic yesterday. We journeyed to a secluded spot not far from the city and had a thoroughly enjoyable time. The highlight of the day for me was finding a rustic picnic table I could copy. I have been wanting to build one in front of the barbecue I finished early this month. If my first table turns out successfully I'll be making one for the cottage.

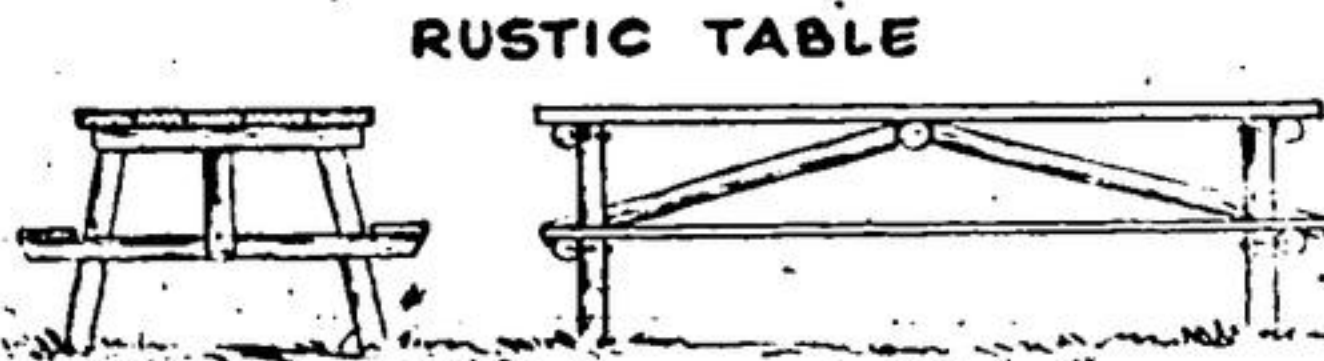

Garden Ornaments

The indiscriminate use of garden ornaments always bothers me. One house we passed on our way home from the picnic brought this whole subject back to my mind. The yard was so cluttered up with wooden ducks, dogs, girls with bright parasols and statues. It looked more like a graveyard than a garden. Properly chosen and placed, ornaments do add to the beauty of the surroundings; especially if they are out of the ordinary—a carboy, sundial or painted butterfly.

No garden is complete without suitable pathways to carry the traffic. The type of material used in construction can be as varied as the shapes the path can be given. The subject is important enough to require lengthy treatment but a few ideas are given here.

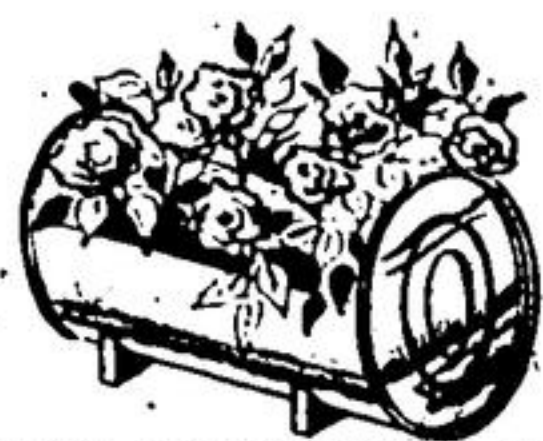

The Abused Tin Can

Next week I must brush up on my tin-can craft as today's mail brought a request to help with handicraft at a summer camp for boys. No hobby is easier to master nor the equipment required more easily found. One of two suggestions are offered but you will find more in the booklet "Around the Home" now ready for distribution.
