MACKENZIE NEWS

Sort of unseasonable weather we're having, too warm for ski suits and not warm enough for shorts. You really have to work to keep warm and not just lean on the hoe, watching the garden grow.

We will have a car of Nut coal in this week and both Nut and Stove sizes in the next two weeks, before the miners take their annual summer holidays. Let us know your requirements and we will deliver the coal directly off the cars. At the present price of \$23.25, it is lower than it will be later.

See you at the I.O.D.E. lawn tea, on Friday afternoon, at Mrs. Sam Mackenzie's lawn. J. B. MACKENZIE & SON
