ASHGROVE
WMS CELEBRATES 25th ANNIVERSARY
The longest day June 21st is past so spring is over and we are now launched into summer with July and very hot days a plenty.
The W.M.S. meeting was held on Thursday afternoon, June 22nd at the home of the Associate Helpers' secretary, Mrs. George Nurse. The president, Mrs. C. B. Dick opened with the hymn "The Church's One Foundation" that was used 25 years ago on June 10th. Mrs. C. Austin read the Scripture passage used that same day, St. John, 17th chap. Mrs. Hector Bird contributed a delightful solo "Where Shall I Go, Lord," accompanied by her daughter, Jean Bird. Roll Call was answered by the word "Faith." Mrs. Thomas Giffen gave the fifth chapter from the Study Book "Growing With the Years" assisted by Mrs. Walter Brownridge. Mrs. Dick gave a summary of the W.M.S. through the past 25 years and said it was started on May 10, 1924, with Mrs. (Rev.) H. Caldwell's assistance and that the late Mrs. John Giffen was the first president. There were 18 members on the first Roll. Two presidents have died, Mrs. J. Giffen and Mrs. Jas. Barnes and another faithful worker, Mrs. Henry Wilson. Today there are 16 members on the roll and all good willing workers. Mrs. E. M. Readhead from Lowville, Mrs. R. H. Wright and Mrs. Stanley Gowland from Georgetown and Mrs. Hartley Anderson and son Peter from Campbellville were at this 25th anniversary W.M.S. meeting.
Mr. and Mrs. Melville Wanless of Brampton were Sunday visitors with Mr. and Mrs. Arthur Ruddell. Sympathy is extended to Mr. and Mrs. Lloyd Sweeney in the sudden loss of his mother in Toronto last week.
Congratulations to the six school children who were successful in their entrance examinations. Barbara Cunningham, Marion Bird, Joan Drake, Norman Bird, Barry Archer and Michael Gosling.
Dr. W. J. Clark of Toronto visited with his cousins, Mr. and Mrs. R. J. Graham last week-end.

MACKENZIE NEWS
Even with all our troubles, it isn't such a bad life after all, when we can sit down and enjoy strawberries and cream. Despite gloomy reports in the papers of the lumber situation, we don't believe that in this district it will be so short as to stop any houses from being built. While the prices have advanced due to the poor winter season for production and the fact that our American neighbours are offering a premium for rush shipments, the net difference on an average house is only \$60.00 to \$75.00. There will probably be shortages on some items, but likely there will be a satisfactory substitute available. See you enjoying our first summer holiday week-end.
