BETTY VAN VLIET WINS MANTEL RADIO

Ticket sales were good and so was the crowd on Saturday afternoon for the double-header OBA fixture at the park which featured the juveniles against Campbellville and the Bantams vs. Brampton. A feature of the afternoon was a lucky draw on admission tickets. Betty Van Vliet of Norval won the first prize mantel radio. Bill James of the juvenile bat and ball and a Campbellville fan the bantam bat and ball.

The juvenile game was marred by an accident to catcher Doug Notton who was hit in the arm by a fast ball. It was feared at first that his arm was broken but when taken to Guelph for x-rays it was found that it was only a badly bruised muscle. Earl Walters finished the game behind the plate. Mel Blow and Frank Anderson were on the mound. Georgetown won 6-5 in ten innings. Jim Kirkwood scored the tying run.

On Wednesday the juveniles beat Milton 9-6 and they are now in first place in the league. They have three more games, all away, against Oakville tonight and Saturday and against Milton next Wednesday. Two wins assure them of a play-off spot.

The bantams won a close game with Brampton 5-4 and still remain undisputed holders of first place, having won all their games to date. They finish the regular schedule when they play Milton here next Saturday.

Midgets were also in the win column Saturday when they went to Streetsville and gave that team a 16-6 shelling. After getting off to a slow start the midgets are proving themselves a good ball team and should be hot contenders in the finals.

SWIMMING CLASSES PROVE POPULAR

With practically no swimming facilities since the Glen and Norval dams were destroyed in the spring floods, the swimming classes which have been arranged by the GRC at Norval YMCA pool are very popular this year. For the first expedition Friday morning there were fifty girls making the trip by bus and fifty boys had a similar trip in the afternoon. Recreational director J. L. Self accompanied the boys and Mrs. R. B. Canham and Mrs. R. S. Miner went along with the girls in the morning. The YMCA has a permanent instructor at the pool at all times when it is in use, so it is well supervised and makes a wonderful outing for the children.

The classes will be continued as part of the activities of the Stay-at-Home Camp the next two weeks. Children are taken out by bus and a 10c fare covers the trip. There is the usual trip this Friday, too, of course.

CHAMPIONS DECLARED IN SOFTBALL LACROSSE

In bantam girls' softball, Sue Crabtree's Wrens won the championship by defeating the Glen Swallows 18-7 in the finals. Champions have been declared in the three boys' lacrosse groups. In novice, Doug Richardson's Georgetown crew lost to Norval 5-2 in a good game. Georgetown Pee-wees under Bud Gibbs won a thriller from the Glen team 5-3. The midget championship was won by default by Norval over Carman Maltby's Georgetown team.

ALL-STAR PEE-WEE TEAM TO BE CHOSEN

The boys' Pee-Wee hardball teams will be in action this Saturday morning at the park at 9:30. It is an important day for an all-star team will be chosen to play in OBA competition. All boys should be out.

FINAL TEAM LISTS ISSUED FOR INDUSTRIAL SOFTBALL

The seven teams which compose the industrial softball league are providing good action Monday and Thursday nights this summer, and the Limehouse, Norval and Glen Williams entries particularly always draw a good quota of fans to see them perform. Teams are composed as follows:

LIMEHOUSE PRESSING HARD IN GRC SOFTBALL RACE

Limehouse looks like the team to beat in the industrial softball league. After getting away to a slow start the Limehouse boys are playing real ball. With two wins last week, including one Monday again with the league leading Glen team they came from fourth to second place.

Scores in games played last Thursday were: Glen 16, S & S 12; Limehouse 22, Combines 4; Legion 11, Businessmen 9. Two games were played Monday, scores being Limehouse 10, Glen 4; S & S 8, Norval 5.
