LIMEHOUSE

Juniors Give Program at Institute Meeting

On Thursday afternoon Mrs. John Ellerby was hostess to a large gathering of members, friends and junior institute girls, at her home on the 4th Line of Esquimaux.

Mrs. A. J. Smethurst presided over the meeting which opened with an original song slanted to the activities of Limehouse Girls. The Mary Stewart Collect was repeated in unison. Mrs. H. E. Batkin called the roll. Minutes of the last meeting, correspondence, and treasurer's report were read by Mrs. Ellerby. Ten dollars was voted to the Scott Mission, and new bank accounts are to be opened for the infant son of Mr. and Mrs. Jack Roughley and infant daughter of Mr. and Mrs. E. Karn. A travelling fake basket was a new idea adopted to add to the funds.

Reports were given by Mrs. E. L. Miller (catering), Mrs. S. Glsby (gardens) and Mrs. E. Sanford (Guelph conference).

Mrs. Frank Brown took charge of the programme presented by the Junior Institute girls. Ruth Brown and Kathleen Kirkpatrick demonstrated making a meat loaf. Muriel Burt, accompanied by her sister, Shirley, sang a solo. Current events were splendidly given by Kathleen Kirkpatrick, followed by a talk "Liver Around the Clock" by Anna Marie Spitzer. A reading "Why the Choir was Late" was enjoyed when given by Ruth Brown. Miss Shirley Burt gave an excellent motto: "An Ounce of Prevention is Worth a Pound of Cure." A piano solo by Barbara Lindsay and a vocal solo by Anna Marie Spitzer were appreciated. A playlet "Preparing Meals for Our Mothers" was followed by a first-aid demonstration of bandaging a fingertip and putting a wounded arm in a sling. A vote of thanks was offered by Mrs. H. E. Batkin to Mrs. Ellerby for use of her home, to Mrs. Frank Brown for such efficient leadership, and to the girls for their excellent program.

Mrs. Smethurst presented a silver fork to each of the following girls who successfully completed a unit of study: Ruth Brown, Barbara Lindsay, Kathleen Kirkpatrick, Shirley Burt, Muriel Burt, Anna Marie Spitzer, and Theresa Beesey.

Mrs. Frank Brown gave general rules for meal planning, and each convener gave a brief report. Mrs. Ernie Curry was appointed delegate to the Halton Musical Festival.

Refreshments were served by the hostess, assisted by the junior girls.

Bishop Is Speaker At Anglican Laymen's Rally

Anglican laymen from Halton Deanery gathered at a rally at Lowville Park on Sunday afternoon for an open air service planned as a welcome to the new Bishop of Niagara, Rt. Rev. Walter Bagnall, D.D.

After a picnic lunch, the Lorne Scots Band played a short program and also accompanied the singing of hymns during the service. Rural Dean C. F. Heathcote gave the call to worship and the collect; Rev. R. E. Porritt read the scripture; and Archdeacon W. G. O. Thompson of Georgetown gave the state and special prayers. The main address was given by the Bishop. A mass junior choir from all churches in the diocese was a feature of the service.

The event was planned by the executive of Halton Deanery Laymen's Association—Dan Pope, president; Christopher Armstrong, vice president; and George S. Atkins, secretary-treasurer. Serving with them on the committee were Jack Armstrong and A. E. Dawson of Georgetown, Russell Dales, Roy Ellenton, James Fairbrother, Harry King and Rev. R. E. Porritt.

Duffy's Restaurant Closes Bob Caldwell Gets Equipment

Duffy's Restaurant on Main St., which has been operated for the past year by Mrs. Rognvaldson of Acton has been closed. The equipment has been purchased by Bob Caldwell who has rented the restaurant concession at Fred Harrison's new garage on the highway and plans to open about the middle of the month.

Mr. Harrison has completed his fine new building which is located on No. 7 Highway just within town limits past Normandy Boulevard and has his service station open for business. The new building is an attractive addition to the town. The restaurant will seat over forty people at tables. Mr. Caldwell, who formerly operated the Budget Grocery and the present Rose Bar Grill in town, recently sold his grocery business in Acton to Roy Barker, who is also a former Georgetown businessman.

Duffy's Restaurant was first established by Vic Diggins when he purchased the O'Neill Block on Main Street and was located in what had been Malina's Jewellery Store. It was later operated by Don Wilson, Bob Caldwell and Murray Robertson.

BOY SCOUT NEWS

The big item of news in the Scout column this week refers to the Cub Camp. The Wolf Cubs left St. John's Church on Thursday, June 29th, at 2 o'clock, and travelled by bus to Humber Glen Camp near Bolton. In spite of the rainy weather the 46 Cubs and their leaders enjoyed a good period of camping. The program included games, swimming, campfires, woodwork, worship and many other organized and unorganized activities. On Monday evening transportation home was provided by interested men and about 9:30 p.m. the boys returned to their homes, tired but happy — happy to have been at camp and happy to be home again.

Our thanks to all who assisted in any way with the organization, preparation and fulfilment of the camp: Georgetown Clay Products, and Hawes and Nelson for providing trucks for transporting baggage; Reg. Bromhead and Jim Kirkwood for their able assistance in camp leadership; John Winfield, Don Livingstone, Bill Gibbs and Bill Hardman for their cabin leadership and many other acts of assistance; Messdames R. Bromhead, R. Hardman and J. M. Smith for their much appreciated services in the camp kitchen.

Scout Camp started last Friday, and is being held on the banks of the Credit River near Cheltenham.

Cub Pack meetings will be cancelled until further notice.

Readers of the Herald please save your waste paper for the Boy Scout drive.

NATURE UNSPOILED

YOURS TO PROTECT

The BOBOLINK is found in lowland pastures and grassy fields. He's the only bird that looks white above and black below. His bubbling song is a delightful summer feature. When in Canada his diet is composed mostly of insects, and he should be protected.
