A hobby for the whole family

INEXPENSIVE! FASCINATING! COLOURFUL!
Figurines for Handpainting

Merely paint the figures to blend with your own colour scheme, allow to dry and apply two or three coats of clear glaze for additional sheen and gloss. It's as simple as that.
 This is a hobby that requires no special artistic talent, and will provide fun, and relaxation for the whole family.

Figures priced from 35c to \$1.95

FARMER BUSINESSMAN HERE PLANS NEW BRAMPTON SHOP

Mr. and Mrs. Russell Kirby who closed their Main Street clothing store here a few years ago and opened a store in Brampton are planning a new building there. It will be located on the vacant lot beside the Conservator building on Queen Street, across from the present location of the store.

The building will be one-storey 24 x 50 feet with a modern store front. Mr. and Mrs. Kirby plan to open business in the new location in October.

During their stay in Georgetown, the Kirbys ran a ladies' specialty store and gift shop in the building now tenanted by the Empire Lunch and lived on Emery Street in the house now owned by Nor-Smith.

Haltom Home Economist Takes Goderich Position

Miss Lucille Barber, home economist for the counties of Halton Peel and York, has tendered her resignation to the Home Economics Branch of the Ontario Department of Agriculture. She has accepted a position as teacher of household economics at Goderich High School commencing in September. A graduate of the University of Manitoba, Miss Barber has been home economist in the county for the past two years and has done a splendid job with the ladies in rural centres throughout Halton.

MACKENZIE NEWS

Are you going to be ambitious in your holidays and do up some odd jobs and so have something to show for your vacation besides a sunburn?

A splendid product to use for a priming coat for paint, or as a thinner in paint is Timberlock at \$4.70 per gallon or \$1.50 per quart. Pure turpentine is again available at \$1.80 per gallon or 50c per quart. We also carry Linolux for applying linoleums, caulking compounds for around chimney flashings and frame openings and fence post compound for any posts.

See you relaxing in a deck chair (without a rug around you, we hope).

NATURE UNSPOILED

YOURS TO PROTECT

The GOLDFINCH is the common "canary" we see all-year round. The male is solid yellow, with black cap, wings and tail. The yellow warbler is off yellow. In winter he's much duller in color. He lives on seeds, beetles and insects, and should be protected.
