Mrs. A. J. Smethurst presided at the meeting which opened with a seasonal hymn followed by the Mary Stewart Colled. Mrs. J. Ellerby read the minutes of the July meeting, correspondence and treasurer's report. Mrs. R. R. Corbett called the roll which was answered by stating an advantage of country life. It was decided to have a two-day course in the making of leather slippers, November 20 and December 1. Mrs. Frank Brown announced that Misses Shirley Burt and Ruth Brown had been invited to demonstrate the making of a meat loaf at the CNE in Junior Institute division.

Miss Rowena Stull, convener for agriculture, conducted the remainder of the programme. Current events were splendidly given by Miss Isobel Moore. The motto - "Words not spoken are not heard." Two minute reports were given by conveners present. The highlight of the programme was an address on "Frozen Batters", by Miss Helen Devereaux, home economist on the staff of MacDonald College, Ste. Anne de Bellevue, Montreal Island. Miss Devereaux is a graduate of the University of Toronto and an authority in her field of work. She also gave an interesting outline on MacDonald College. After closing the meeting with the National Anthem refreshments were served by Mrs. Harry Brown, Mrs. Harold Brown, and Mrs. S. English.

Around the Home...

TOM GARD'S NOTE BOOK

It seems as if most people have a struggle to furnish their first home. We visited newlyweds last weekend and it was almost like reliving our own first few months! They will succeed, though, as first things had been put first and improvisation took care of the rest. One of their best "makeshifts" was a hall table. His parents had modernized an old sideboard by removing the top section - mirror and all. The top shelf and two supports had been left intact; a third leg was placed in the centre, at the back and then braces run to the other two legs. It made an ideal hall table for the telephone and hadn't cost a cent. Even the mirror had been resilvered, etched and mounted on half-inch plywood, making an inexpensive hall mirror.

Barrel-Stave Hammock

If you would like a hammock to hang under your favourite tree but must pamper a limited budget, try the idea developed by a neighbour down the street. Holes were bored in old barrel staves and then threaded with half-inch rope. You'll see how it was done by examining the diagram shown. A heavy blanket or old sleeping bag will make the hammock quite comfortable.

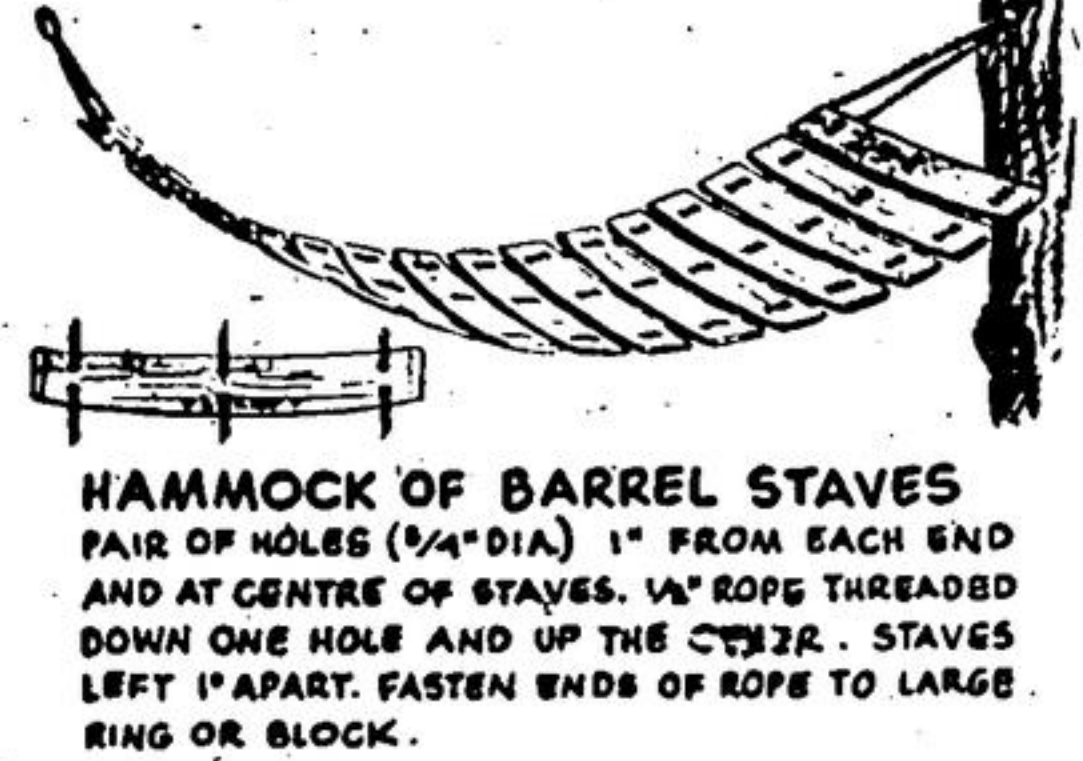

Corner Garden Seat

If you wish a garden trellis in a half-pint backyard, don't stick it out in the centre of the lawn like a sore thumb. Arbours and gateways should lead somewhere; high trellises should terminate some line of vision. One of the best ideas I have seen for a small garden combined the trellis with a corner garden seat. It was most attractive and a solid mass of blue morning glories when I last saw it.

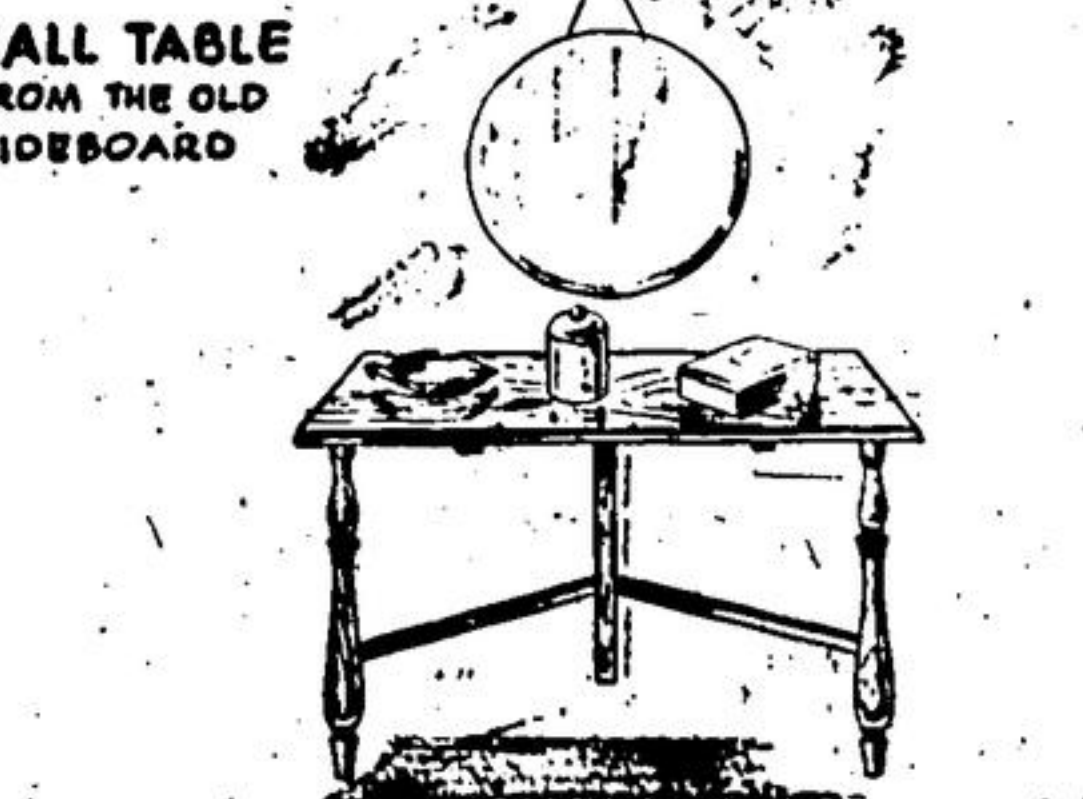

I notice some of my parents are beginning to fall over. In case you haven't suitable flower supports for your garden, here is the type I have been using for years. They are easy to apply and just as easy to store away in the fall.

CORNER TRELLIS
 A SECLUDED CORNER SEAT AND TRELLIS - 7' FROM GROUND TO TOP OF UPPER LEDGE
 SLATS AND UPRIGHTS: 1 1/2" x 2 1/4" - SEAT 2" THICK, 10" FROM GROUND. EACH SIDE OF SEAT ALONG WALL OR FENCE IS 2'4" - CUT FROM CORNER TO CORNER ON FRONT SIDE

HAMMOCK OF BARREL STAVES
 PAIR OF HOLES (3/4" DIA) 1" FROM EACH END AND AT CENTRE OF STAVES. W/ ROPE THREADED DOWN ONE HOLE AND UP THE OTHER. STAVES LEFT 1" APART. FASTEN ENDS OF ROPE TO LARGE RING OR BLOCK.

HALL TABLE FROM THE OLD SIDBOARD

FLOWER SUPPORTS
 UPRIGHT STAKES 1 1/2" OR 2" SQUARE, PAINTED GREEN. STRONG HOOKS AT ONE FOOT INTERVALS. WIRES OR WOODEN HOOPS RESTING ON THE HOOKS

More about these and many other ideas in the booklet "AROUND THE HOME". Write for your copy to Tom Gard, c/o MOLSON'S (Canada) LIMITED, P.O. Box 66, Adelaide St. Station, Toronto.
